Contract for New Sidewalks Is Awarded To Claude Trumble

Committee Is Appointed To Consider Installation Artificial Ice In Local Arena

The contract for construction of sidewalks in the Village was awarded to Claude Trumble by Village Council at the regular meeting Monday night. The tender accepted was 10c per sq. ft. for removal of old sidewalk and 50c per sq. ft. for replacing sidewalk and any fill required. There were two other tenders submitted.

Reeve B. Jones was in the chair and was supported by Councillors R. Anderson, J. Chambers, B. Glendinning and R. L. Hulin.

Elwood Bateman addressed Council requesting an extension of the sewer line from Edward along Wellington to Baker Street to provide service for his property and that of L. Dafoe and L. Wilson.

After discussion the Clerk was instructed to write the Ontario Water Resources Commission for permission to extend the system 600 ft. on Wellington and Baker Sts., on motion of Councillors Glendinning and Anderson.

A drainage problem at the corner of Emily and Church Sts. was referred to the Streets Committee for action.

Arena Committee

Allan Lawes, President of the Stirling Branch of the Canadian Legion, waited upon Council with regard to the appointment of an Arena Committee. He stated the Legion had managed the Arena for the past 12 years and the membership were anxious that a strong committee be appointed to work on the installation of artificial ice.

Reeve Jones reported that the deed of the Arena had been transferred from the Legion to the Village.

The following were named to the Arena Committee on motion of Councillors R. Hulin and B. Glendinning:

From Stirling — Reeve B. Jones; W. L. Pollock, Treasurer; H. J. Wells, D. W. Rodgers, H. E. Cooke, R. D. Cooke, Claude Trumble, Robt. Anderson, Doug Patterson, Allan Lawes, Wieger de Jong, Leslie Rawlings.

Sidney Township — Douglas Pyear

Huntingdon Township — Lindsay Sills

Rawdon Township — Irvin Potts and Ralph Wellman

Memorial Plot

Messrs. Orno Sharp, Glenn Bush and Chas. Carter, representing the local Oddfellow lodges, waited upon Council seeking permission to instal a memorial plot in the local cemetery. On motion of Councillors Glendinning and Chambers the request was granted on the deposit of $125.00 for perpetual care plus $1.00 for deed of land.

Fire Chief Graham Mouck addressed Council relative to installing of Mutual Aid radio for the Fire Department. Belleville Fire Department guaranteed to operate the base station a full 24 hours per day. A Zenith phone number would be used for Hastings and Prince Edward Counties. The government pays 45% grant.

He also announced that members of the Fire Brigade would attend Divine Service in St. Andrew's Presbyterian Church on Sunday, June 21st.

Don Tucker, the local dog catcher, reported he had sold 33 dog tags, but there were still a few delinquents. On motion of Councillors Hulin and Anderson he will receive $1.00 for each sale of dog tags to delinquents.

A request from Mrs. Irene Montgomery for a driveway entrance to her property was granted.

On motion of Councillors Anderson and Hulin, application will be made by Council for Canada Centennial Grant for Stirling Community Arena.

Correspondence included a letter from the Dept. of Highways with cheque for $1650 being one quarter of subsidy in 1963 expenditures on streets; Procter & Redfern, re inspection of streets; Stirling Branch Canadian Legion requesting action on artificial ice project at Arena; Ontario Goods Roads, re 70th anniversary.

The report of Police Chief Chas. E. Hicks was received on motion of Councillors Hulin and Chambers.

The matter of the speed limit on the Belleville Road was under discussion and a bylaw will be drawn up to reduce the limit in the area.

The following accounts were passed for payment:

LINDA CAROL WELLMAN

daughter of Mr. and Mrs. Ralph Wellman, Bonarlaw, has successfully completed her course at Victoria College, University of Toronto, and receives her Bachelor of Arts Degree at Convocation this afternoon (Thursday, June 4th). Linda has accepted a position on the staff of Quinte Secondary School, Belleville, teaching junior French and English.

Property Changes In Village

Mr. and Mrs. Robert Green have moved to their new home on the Frankford Road. The property was purchased recently from Fred Brandt, who in turn is building a new residence on a lot purchased from Mrs. Wm. Montgomery on West Front St. Excavation for the new building began this week.

58th Anniversary

Congratulations are extended to Mr. and Mrs. Arthur Hulin, Church St., who observed their 58th wedding anniversary on Saturday last, May 30th. Mr. and Mrs. Hulin have spent their entire married life in the Village and have a wide circle of friends throughout the district.

St. Paul's U.C.W. June Meeting

The general meeting of St. Paul's United Church Women was held on Tuesday evening, June 2nd, in the ladies parlour, with an attendance of forty-five.

President Mrs. J. L. Good opened the meeting with a poem and prayer.

The devotional period was in charge of Unit Four. Mrs. Harold Wells chose as her theme "God In Nature" and after a short reading she led in prayer. The hymn, "This Is My Father's World" was sung. Mrs. Charles Davidson read the Scripture lesson from Acts 14: 8-23. Mrs. Ed Warren gave the meditation on the Scripture lesson. Mrs. Harry Waite favoured with a very lovely solo, "How Great Thou Art." Mrs. Wells closed the devotional service with prayer.

The ladies accepted an invitation to attend a tea and bake sale in St. Andrew's Presbyterian Manse; also an invitation to Carmel U.C.W. for a tea and programme in June.

Mrs. R. A. Patterson will be convening the bazaar in November.

It was decided to support the building and organ funds this year by making a donation to each fund.

It is hoped that many U.C.W. ladies will take advantage of the Leadership Training School, to be held at Albert College, Belleville, from July 20th to 23rd.

A new system of programme plan-

Mrs. C. E. West Hostess To I.O.D.E. May Meeting

The May meeting of the Hon. J. R. Cooke Chapter, I.O.D.E., was held at the home of Mrs. Clare West with a good attendance.

The meeting opened in the usual manner with Mrs. James Bryant carrying the flag. Routine reports were given. Members are reminded of outstanding fees and asked to look after this matter promptly.

In order that a good display of sewing, knitting, etc. be available for Stirling Fair, the members are asked to return all completed garments by the end of June.

A discussion centred around the "Birthday Calendar" project. Anyone wishing his name on the calendar may do so for 10c. We must have names if this is to be a successful. Everyone has a birthday, so get going girls!

Bill West very kindly showed and explained his interesting and informative slides of his recent trip to Greece to the Boy Scout World Jamboree. These were much enjoyed and Mrs. Peter Briggs presented Bill with a small gift in appreciation.

A tasty lunch was served by the hostess and the committee of Mrs. D. Rodgers, Mrs. L. Rawlings and Mrs. D. Williams. Miss Gena Spry thanked everyone who contributed to this enjoyable evening.

The June meeting will be held the 25th at the home of Mrs. Robt. Hough. Anyone wishing transportation contact Miss Rosa Spry.

Local and Personal

Karen Meeks, daughter of Mr. and Mrs. Stan Meeks, Front St. W., was admitted today to Kingston General Hospital, where she will be a patient for a few days.

Mr. and Mrs. H. C. Martin and Miss Marion Vardy spent the week-end guests of Mr. and Mrs. B. E. Moore, Buffalo, N.Y.

Mr. and Mrs. H. R. Tompkins spent Sunday with the latter's sister, Mrs. J. Lemieux and Mr. Lemieux, Ottawa.

In Hospital

Friends of R. W. Meiklejohn, Emma St., will regret to learn that he is a patient in Belleville General Hospital, where he was admitted on Saturday night. He underwent surgery on Tuesday.

Engagement

Mrs. Mary Trenear, Harold, R.R. 1, wishes to announce the engagement of her eldest daughter, Ellen Victoria, to Mr. Robert Fisher, RCAF Station, Trenton, son of Mr. and Mrs. M. Fisher, of Leeds, England. Marriage to take place at her home June 20th, 1964.

Lawn Bowlers Prepare For Season

Members of Stirling Lawn Bowling Club are flexing their muscles these days readying for the coming season. Work on the local greens was delayed for some time due to the mower being away for reconditioning but President and greensman Ted Barnard has been working hard to make up for lost time and at present the greens look in good shape. No specific date has been set for the official opening but some of the bowlers have been working out.

Welcome New Members

Once again the "welcome sign" is up for any person, young or old, wishing to try his or her hand at this fine game. Bowls will be provided and instruction in the game will be provided by club members.

Lawn Bowling is a fascinating and healthful game, and a game with a grand history. It is not a game which calls for supreme muscular effort, there are no hills to climb, no body contact occasions, no heavy equipment to use. It is a game of skill calling for the keenness of eye and dexterity of arm. It provides gentle exercise.

So come along and try your hand. The Club members are anxious and willing to assist the new bowler.

Mrs. Manson Farrell Winner of Draw

Mrs. Manson Farrell was the winner of a barbeque set in a draw at Livesey's Red & White store on Saturday night. The winning ticket was drawn by Mrs. Keith VanHorne.

Entertained For Newly-Weds

The home of Mr. and Mrs. Kenneth Ray, Church St., was the scene of a happy gathering on Saturday night, when they entertained some twenty relatives at a turkey dinner in honour of their son, John and his bride, the former Edith de Jong. Following the dinner the evening was spent in cards and a social time.

Wins Trip To World's Fair

Wm. Brown, of Deloro, Ont., was the lucky winner of a trip for two to the New York World's Fair in a draw sponsored by Stirling Motors (Stirling) Limited. The contest ended on Saturday night and the drawing was made Monday morning by Reeve B. Jones.

Mr. Brown is a life-long resident of Deloro and is employed by the Marmoraton Mining Co. Ltd. He is a father of four children.

DONALD G. RIKLEY, B.A., M.Ed., former resident of this area, graduates from the Ontario College of Education, University of Toronto, with a Master of Education degree on June 10th. Recently Mr. Rikley was a successful candidate for the elementary school inspector's certificate, and has accepted a position with the Ontario Department of Education at Campbellford.

Mr. Rikley is a son-in-law of Mrs. Robt. Burgess, Stirling.

61 Years Wed

Their many freinds join in extending congratulations to Mr. and Mrs. Will Patterson, Church St., who will celebrate their sixty-first wedding anniversary on Wednesday, June the 10th.

Holds Perfect Crib Hand

While playing a game of cribbage Wednesday morning Harry Vandervoort, Stirling R.R. 3, held a perfect hand. He held the Club Jack and 3 fives and cut the five of Clubs for 29 points. His partner was Arthur Hagerman, his father-in-law.

Mrs. W. Jones Injured In Fall

Mrs. Wilbert Jones, Front St. W., suffered painful injuries in a fall in her yard Tuesday evening. An ardent lover of flowers, the aged lady was taking a walk among her flower beds when she lost her balance and fell. She was taken to Belleville General Hospital by Duffin's Ambulance on Wednesday for X-Ray, which showed no bones broken, and she was allowed to return home.

Accepts Position Norwood H.S. Staff

Mr. Raeburn Scott, Foxboro, has accepted a position on the staff of Norwood High School with duties to begin in September. He is a son of Mr. and Mrs. Clarence Scott, Mount Pleasant, and has been teaching at Glen Ross Public School for the past year. Just recently he was successful in his examination for his B.A. degree at Queen's University, Kingston.

Leave Stirling

Mr. and Mrs. B. R. Preece, residents of Stirling for the past year moved to Brantford, Ont., on Saturday last. Mr. Preece, who was employed by the Cockshutt Farm Equipment Co. during his residence here, has resigned his position and in future will be a representative of the London Life Insurance Co. His many friends here will join in best wishes for his success in his new field of labour.

Open House At Eastern Breeders On Sundays

Eastern Breeders announce they will hold Open House at both the Kemptville and Belleville Barns from 2 to 4 p.m. for the first three Sundays in June. All facilities — barns, laboratories and offices will be open for inspection with Directors and Staff on hand to explain this example of "Science in Action in Agriculture." To add to the enjoyment of a family visit, refreshments will be available and there will be a guessing game which has a price of five free services to E.B.I. outstanding sires. Members of Eastern Breeders and the general public are most welcome.

Marvyn Scott Heads AOTS Club

A. Cronkwright, Installing Officer — A Film "What Is A Mormon?" Is Shown

Marvyn Scott was installed as President of St. Paul's United Church AOTS Men's Club at the monthly supper meeting held last night. Other officers are Grant Potter, Vice-President; Fred Bateman, Secretary, and Harold Hagerman, Treasurer.

Mr. Arnold Cronkwright, Trenton, Vice-President of Belleville Presbytery AOTS Men's Club, was the installing officer and was assisted by Rev. P. J. Hommersen.

President Allan Wells was in the chair for the opening part of the meeting. Don Williams presided at the piano and Bob Patterson led the sing-song, while Fred Bateman conducted the devotional.

Programme

Two missionaries of the Church of Jesus Chirst of Latter Day Saints (Mormon), Messrs. James Hansen and Reeder, were introduced by Claire West and after a brief talk on the early history of the Mormon Church, showed the film with recordings on "What Is A Mormon?" A question and answer period followed, which proved very instructive. The thanks of the club were expressed by Don Williams.

The new President briefly addressed the gathering, after which Rev. P. J. Hommersen gave the benediction.

Good Showing By Dan Harris

Last Saturday Dan Harris competed in the All-Ontario Track and Field meet at the University of Waterloo. Although he did not place in the top four he did make a good showing. No final standings were given for the discus throw but out of a field of twelve it was felt Dan stood either 5th or 6th. The competition was very good and the boy who won the event broke the Canadian record with a throw of 160' 6". Many all-Canada records were broken during the course of the day and good athletes were to be found everywhere. Congratulations to Dan for a good showing.

Miscellaneous Shower For Bride

Mrs. Glen Whitehead was hostess at a well-arranged miscellaneous shower in honour of Mrs. Robert McArton (nee Susan Webber) on Friday evening last. Some forty friends of the recent bride were in attendance.

Following several contests the guest of honour was seated underneath an arch from which a shower can, decorated with pink streamers, was suspended. Mrs. McArton, assisted by Miss Nancy Finkle, opened her gifts, which were many and varied, after which she voiced her sincere appreciation to the donors and the hostess. Dainty refreshments and a social hour brought a happy event to a close.

Improvements To Legion Hall Planned For Coming Months

Several more major improvements to the Legion Hall were approved by a general meeting of Branch No. 228 on Tuesday evening. All members of the branch are asked to support the programme worked out by the Building Committee.

The list of proposed improvements includes additional landscaping and the installation of cement walks and curbs at the front of the building; the installation of an acoustic type ceiling and the possible refinishing of two interior walls. The Building Committee was also authorized to investigate a change in the general lighting arrangement of the Hall.

It is hoped to complete the improvement programme by holding a series of work parties one night a week throughout the next three months.

The first two work parties will concentrate on the installation of curbing and the planting of two large flower-beds. All members who are free are asked to meet at the Legion Hall this Saturday, June 6th at 9 a.m. Another work party will meet at the Hall next Wednesday, June 10th, at 7 p.m.

The Legion requires some shrubbery and so forth. Each member who turns out next Wednesday evening is asked to bring one plant or shrub which can be used to beautify the Legion grounds. Efforts will be made to obtain a quantity of evergreen shrubs.

Word has been received that the final finishing of the terrazzo floor will be done in the next few days.

The Legion sports programme is also going ahead in the community. A district Pee Wee Softball League has been set up with the following teams: Stirling (2 teams), Glen Ross, Spring Brook and Rylstone.

Next Saturday morning, all local boys under age 13 years are asked to report to the ball park for the organization of a local boys' softball league. For further information call Bert Bastedo or Grant Montgomery.

The Legion has also authorized the purchase of a new Red Ensign to be flown at the Legion Hall, and is also passing along a request to municipal council to have the flag at the Memorial Park replaced.

Reports were received from Branch

Reports were received from Branch effect that three comrades were presently in hospital. Comrades Fraser, Philp and Villetorte were mentioned, and we are sure all three would be pleased to have a card or remembrance from some of their comrades.

All members are again reminded of the special work parties scheduled for this Saturday at 9 a.m. and next Wednesday, June 10th at 7 p.m. Let's have a good turnout.

St. Paul's UCW Group Met at Home of Mrs. Russell West

Mrs. Don Williams group of St. Paul's United Church Women met at the home of Mrs. Russell West for their regular monthly meeting.

Appropriate verses and prayer by the leader opened the proceedings. Mrs. H. Vandervoort, assisted by Mrs. D. Charlesworth and Mrs. R. A. Patterson, delivered an inspiring devotional service. This period of worship was interspersed by singing of several familiar hymns and two Scripture passages.

Mrs. Williams welcomed Mrs. J. L. Good, President of the U.C.W. and a few others who are unable to attend meetings regularly.

Following a brief business session Mrs. Allan Wells and Mrs. Pat Merrill presided over the evening's program. The featured number was a tape recording on "Women of India."

"Ghandi had a great influence for good on the womanhood of his country, and they fought for India's independence just as hard as the men. There is a strong emphasis placed on family life and it was noted that as a rule women tend to be more submissive and dependent than Canadian or American women. Many are taking a vital part in politics, labour, education and religion. All women know how to budget and economize. They are happy, contented people. Emphasis is put more on the importance of what you do than what you wear.

An open discussion followed the presentation of this recording. A closing hymn and short prayer brought this worthwhile meeting to a close.

A period of fellowship during the lunch hour was thoroughly enjoyed and a vote of thanks to the hostess and all responsible for the programme was expressed by Mrs. E. Bateman.

May Meeting Local 171 Ont. Farmers' Union

The May meeting of Local 171 of Ontario Farmers' Union was held at the home of Mr. and Mrs. Bob Cosbey.

Plans were made for the Rummage Sale in Spring Brook Hall this month and tickets will be sold on a quilt, the draw to be made on night of sale.

A letter from head office regarding the Union's Junior activities stemmed a lengthy discussion and it was decided to ask the 4-H Club and Junior Farmer members to participate in essays, art writing, printing, verse writing, drawing map of my County and agricultural scrap book.

Mrs. Geo. Williams gave an address on Farm Labour and Education. A bus load from Hastings County will attend a membership meeting in Oshawa on June 8th. The speaker will be Walter Miller.

A resolution was proposed by Bob Cosbey asking the CBC to broadcast the sessions of the Provincial Legislature and federal parliament so that listeners could hear the varied opinions of the members on national and international affairs, as well as get a first hand report on the work of our local members. This resolution received the support of the meeting.

A second resolution proposed that "school taxes be levied on dwellings only, land being exempt." This also received the unanimous support of the members.

A short programme was presented, with Mrs. Ella Mumby giving two readings; Mrs. Edna Bateman, a reading, and Delbert Mumby a reading.

Following adjournment the ladies served lunch and a social hour was enjoyed.

It was the arrival of about 50,000 United Empire Loyalists at the time of the American Revolution that changed Canada from a predominantly French-speaking to a predominantly English-speaking nation.

Hastings County Beef Improvement Assoc. Enjoy Trip to Renfrew

On Thursday last, May 28th, members of tfhe Hastings County Beef Improvement Association enjoyed a very educational visit to Renfrew County.

Enroute by way of No. 7 Highway the group made their first stop at the farm of Hugh Gray to see his commercial steer enterprise. He markets some 250 steers per year, buying local and western feeders of approximately 900 lbs. and markets them around 1,200 lbs. Some steers are winter fed and marketed, then more are purchased, grass fed and finished in the yard. Feeds consist of wheat screenings pelleted, self-feeding from Butler storage bin, with stilbestrol implant; and, sells rail grade.

In Renfrew County, Keith Thompson's farm, Glasgow Station, was the first visit. Mr. Thompson has an operation similar to that of Mr. Gray's but buys local steers.

The next stop was at Murray Galbraith's, Renfrew, who has a large automatic feeding station, using western steers. He has two large self-unloading silos with automatic feed bins and feeders, and uses sawdust bedding. Gerald Rankin, Forester Hills, had a small but quality Hereford cow-calf operation; while at John Hawthorne's Queensvue Ranch, the group saw some excellent purebred Herefords. He has his entire herd on performance testing and his many young bulls look very promising. Then at Harold Gallagher's farm they saw another steer feeder operation. Many of these feeders were using pelleted wheat screenings to advantage. Mr. Gallagher ships approximately 300 steers per year.

Of interest to all were the alfalfa plot demonstrations on Barkley Dick's Farm, Douglas. Those of Vernal and DuPuits with brome appears to be yielding best over a period of years.

The tour was an excellent one, both educational and scenic.

Dairy Princess Competition

The Hastings County Dairy Princess Competition is again sponsored this year by the Milk Producer groups of Hastings County. It is open to contestants between ages of 17 to 26, married or single. The competition will be held at Belleville Fair, the date to be announced later.

Prizes to the winner will include a tiara, uniform and $20.00 in cash. Second prize is $15.00 and third prize, $10.00. The winner will compete at the Canadian National Exhibition Milking Competition.

Those interested are asked to contact Mr. E. W. Henderson, Fieldman for the Dairy Branch, Ontario Department of Agriculture, Box 146, Stirling, Ontario.

Goal Reached In Easter Seal Drive

"The Million Dollar objective of the 1964 Easter Seal Campaign has been reached" announced Conn Smythe, Treasurer of the Ontario Society for Crippled Children.

The announcement was made recently at a meeting of the Board of Directors of the Society being held in the Ontario Crippled Children's Centre in Toronto. Mr. Smythe stated that credit for the successful campaign results is due to the many thousands of volunteers in the community service clubs such at Rotary, Lions, Kiwanis, Kinsmen and others who joined together to conduct the Easter Seal campaign in 230 centres in Ontario. On behalf of the volunteers, Mr. Smythe expressed thanks to the people of Ontario for their confirmation of confidence in the work of the Ontario Society for Crippled Children, by their generous and continued support.

"Our Easter Seal Campaign for 1964 must reach at least one million dollars, if we are to continue to provide the care, treatment and rehabilitation for the crippled children of Ontario."

This statement was made at an Executive Committee meeting of the Ontario Society for Crippled Children last winter, when plans for a development programme in rehabilitation services for physically handicapped children was being approved. The expansion of responsibilities included a service programme for the children who have cystic fibrosis; more direct financial assistance to the 23 rehabilitation and treatment centres in Ontario; a stimulated programme of research into the causes of crippling and methods of treatment, training and education of physically handicapped children; and added support for the training and professional development of rehabilitation workers to reduce the present shortage of qualified personnel.

Mr. J. C. Preston, Chairman of the Provincial Easter Seal Committee, stated that the achievement of the campaign objective has assured the continuance of the Society's services for the more than 16,000 crippled children in Ontario and guaranteed the fulfilment of the recommended development programme in rehabilitation services.

Annual Meeting Hastings County Historical Society

The May meeting, which was the annual meeting of the Hastings County Historical Society, was held in the Corby Library, Belleville. This followed a tour of the County Museum.

The Museum has proven a very interesting and popular place during the past year. Many special tours have been conducted. Besides various exhibits which change from time to time, a fine Archives is being set up by the staff committee and helpers on work nights. An interesting item in this is the first census of Hastings County.

Mr. Boyce conducted the business of the meeting. Mr. L. Ransom brought in the slate of officers for election for the coming year.

One interesting item of business was the discussion of the anticipated outing and tour on June 28th by way of the railway with the old steam engine and coach (before removed) during railway week, to Cobourg. For those who do not want to remain at the lake a tour of Cobourg by bus will be available including Barnum House Museum. This tour will leave Belleville at 11.30 and return around 6 p.m.

A request was asked for information about any old letters written by John A. McDonald and also of the first cement plant at Point Anne.

Mr. R. Greig, Art and English teacher, Moira School and convener of the Architectural and Preservative Committee, entertained with an illustrated talk on "Belleville's Nineteenth Century Buildings," showing the changing architectural fashions and styles. Slides are also being made of some of the Stirling buildings.

Mrs. Chas. Pearce, Stirling, won the door prize and was presented with a book "Pioneer Railways of Central Ontario," by the author.

A social half hour closed this interesting and educational meeting.

Entered Into Rest

MRS. ROY THRASHER

In failing health for the past week, Mrs. Annie May Thrasher, of R.R. 3, Stirling, died at the Belleville General Hospital on Monday, June 1st, 1964. She was in her 79th year.

Born in Rawdon Township, she was the daughter of the late Mr. and Mrs. James Summers. She had lived in the Stirling area all her life and was a well known and highly respected member of that community.

She was a member of Mount Pleasant United Church and member of the United Church Women's organization of the church.

Surviving are her husband, Roy Thrasher, and a daughter, Mrs. Milton (Edna) Shaw, of Ivanhoe.

A grandson, Wayne Shaw and a sister, Mrs. Maude Sharp, of Stirling, also survive. She was predeceased by two brothers and two sisters.

The funeral was held this (Thursday) afternoon from the Duffin Funeral Home, Stirling, to Mount Pleasant United Church for service. Rev. W. G. Fletcher officiated.

Interment was in Mount Pleasant Cemetery.

Mr. and Mrs. David Potts Honoured At Mount Pleasant

A large number of Mount Pleasant folk with friends from Oshawa, Hoards and Stirling and relatives from Marmora gathered in the Church Hall on Saturday evening, May 30th to honour the newlyweds, Mr. and Mrs. David Potts (nee Ruth Provost).

Rev. W. G. Fletcher was chairman for the occasion and extended a welcome to the bride and expressed best wishes for future happiness.

Robert H. Hoard conducted the sing song with Mrs. Kenneth Weaver as accompanist. Several young men of the community staged a hilarious fashion show with Mrs. Will Jeffs as pianist and Miss Sally McAdam as commentator. Selections were read by Mrs. Milford Wrightman and Mrs. Raymond McConnell, Mount Pleasant; Mrs. Clayton Thompson and Robert C. Hoard, of Hoard's. Piano duets were contributed by Misses Barbara and Brenda Williams and Mrs. Mac Sharp and Miss Nancy Johnson. Vocal duets were rendered by Judy McAdam and Lynda Potts, Jean Jeffs and Donna Knight; Judy and Joyce Cooney. The accompanists were Miss Sally McAdam, Mrs. Garth Joslin and Miss Jean Sharpe.

Accordion duets were given by Kenneth Couch and Peter Brown. Two vocal selections were contributed by Mrs. Robert H. Hoard and Marguerite McMullen.

The newlyweds were given seats of honour and Roger Smith read an appropriate address which extended a welcome to the bride. Paul Jeffs made the presentation of a platform occasional brocaded chair with leather trim, a wool blanket and pillow slips. Individual gifts included a plate from the local United Church Women.

David and Ruth expressed thanks for the party in their honour and gifts and invited the group to visit them in their new home.

The committee in charge served refreshments and all enjoyed a social half hour.

SHIRKERS

"I'm ashamed of the way we live," said the young bride. "Mother pays the rent, Father bought us the car. Aunt Mary buys our clothes. Grandma pays the food bills. I don't like to complain but I'm really sorry that we're not doing better."

"You should be," chimed in the young husband. "You've got two uncles who don't send us a dime."

4-H Homemaking Clubs Hold Achievement Day

In the past two weeks, Hastings County's 4-H Homemaking Clubs completed the spring project, "Sleeping Garments." Achievement Days were held on May 23rd at Moira Secondary School, Belleville, and on May 30th at Centre Hastings Secondary School, Madoc. On display were nightgowns, pyjamas and record books completed during the project.

Ninety-one girls completed the project at Belleville and 63 at Madoc.

Similar programmes were followed each day. In the morning the girls judged classes of pyjamas and fabrics and took part in group discussions of the pyjama classes. They also practised one skill learned in the project by sewing on lace by hand. In the afternoon each Club presented an educational skit, demonstration or exhibit relating to the project.

Club members completing the project as well as leaders and assistants were presented with sterling silver teaspoons in the 4-H Homemaking Club design. Certificates of Achievement on completion of 2 clubs were presented to 49 girls at the South Hastings Day and 33 girls at the North Hastings Day. Fourteen girls received County Honours, an award presented to club members who have completed six Homemaking Club units. The following received the award, which is a special pin and certificate:

Georgena Donly, Eldorado II Club; Linda Pascoe, Melrose Club; Kathy Sine, Doreen Hubbie and Janet Mann, Foxboro; Beth Hall, Plainfield; Yvonne Zuidema, of River Valley; Linda Hitchon, Catharina Mywaart, Coby Mywaart and Donna Wilman, Sidney South I; Marilyn Nobes and Nancy Thompson, Sidney South II; Donna Shorey, Wallbridge II.

Provincial Honours, a special certificate and pin presented to club members completing 12 units, was won by five members: They were: Diane Cronkright, Bethel-Zion Club; Jean Blakely, Chapman; Beverly Ketcheson and Marie Foley, Harts; Riggs, and Mrs. Betty Sexsmith, of Queensboro.

For the spring, 1965 project the majority of club members chose "What Shall I Wear?" which deals with wardrobe planning.

Hastings County Achievement Days were under the direction of Miss Elizabeth Spouse, Ontario Department of Agriculture, Home Economist for Hastings and Lennox and Addington Counties.

Algonquin Provincial Park in the Highlands of Haliburton follows 2,750 square miles. Wildlife of all kinds is to be found, and commercialism is kept to a minimum.

STIRLING WOMEN'S INSTITUTE

FOR HOME AND COUNTRY

Maybe you were not chosen to be a great leader, but you have a duty to fulfill in just being what you are, and if you carry out those duties to the best of your ability you will have achieved a certain kind of greatness.

"If you can't be a pine on the top of the hill,
Be a shrub in the valley, but BE
The best little shrub at the side of the hill
Be a bush if you can't be a tree.
We can't all be captains, there must be a crew
There's something for all of us here;
There's big work to do, and there's lesser to do
And the task we must do is the near
If you can't be a highway, then just be a trail
If you can't be the sun be a star,
It isn't by size that you win or you fail
Be the best of whatever you are."

In Memoriam

STAPLEY — In memory of a dear son and brother, Ralph Stapley, a member of the S.D.&G. Highlanders who was critically wounded on D. Day and died on June 7th, 1944.

There is no parting from those we love,
No distance can divide
Each day in memory's garden
We still walk side by side.
At dawn a thought of him,
At eventide a prayer
For in our hearts that loved him
He always will be there.

Automotive Tool

(basic, as at Stirling Motors)

Despite all of the technological advances— the something-or-other meters, charts, gizzmos, and so on — there are still two basic tools used in servicing your automobile.

One is called a wrench, the other isn't. It's a screwdriver.

It's just a matter of where they are applied, and who does the applying — but what a whale of a difference that makes.
Not just in less expensive job, but in a more lasting one, a better purring engine, quieter running, better mileage.

Here at good old Stirling Motors we're lucky. Every mechanic has his own wrench and screwdriver, and years of practice.
If any one of them can't fix your car faster and better and
(please add one more adjective of your own choosing!) we'll eat a carburetor.

Mr. Harold Pillen is attending the United Conference at Waterloo this week where he will be ordained for the United Church ministry.

Mrs. Elias Spry, Spry Settlement, spent a few days recently with her sister, Mrs. Charles McMaster.

Congratulations to Miss Linda Wellman who will receive her Bachelor of Arts Degree from the University of Toronto during the Graduation Exercises on Thursday, June 4th.

Mr. and Mrs. Stewart Mitchell, of Stockdale, were week-end guests of Mr. and Mrs. Chris Bateman. Other guests at the same home on Sunday were Mr. and Mrs. Ray Delwardt, of Buffalo, N.Y., and Mr. and Mrs. Jack Hammond, Belleville.

Spring Brook United Church held a joint service with the Rylstone congregation on Sunday morning. Mr. Harold Pillen delivered the message and Spring Brook choir, with Mrs. Florence McKeown as organist, were in charge of the music.

Mrs. Charles McMaster and Mrs. Elias Spry spent a couple of days over the week-end with their brother, Mr. Will Kemp and Mrs. Kemp, at Campbellford.

Mr. and Mrs. Malcolm Mason visited Mr. and Mrs. H. Ketcheson at Wallbridge on Sunday.

Spring Brook I.O.O.F., along with visiting brethren and Rebekahs from neighbouring lodges, attended divine service at St. Mark's Anglican Church Bonarlaw on Sunday evening. Rev. Stewart, Marmora, delivered the message.

OF MANY THINGS

(By Ambrose Hills)

THINGS CAN SNOWBALL

One thing that pleases me about life is the way things can snowball. A little bit of effort to get things started can have big results.

I noticed that the oither day, when announcing that it was going to open in Winnipeg, the Mercantile Bank of Canada explained why in these words, "Our decision came after a study of the vigorous and intelligent efforts of Manitoba to become a major exporter."

I'm a Manitoba boy, and if anyone had suggested fifteen or twenty years ago that we'd become a major exporter of anything but wheat, I'd have laughed at him. Just the same, a few manufacturers began to investigate the possibilities. Governments began to offer inducements and encouragement. Soon everyone was talking it up, and some firms, after a few frustrating years of effort and many headaches began to get overseas orders. Banks began to take a mighty close look at this new surge and these prodigious efforts and decided they'd be able to help.

The big thing is not to give up. Keep pushing that snowball, and even if it rolls only an inch or two at a time, it starts to gather momentum and to grow.

Canadians are starting to grow, starting to highball. You can feel it in the air. They're beginning to look at the world as a possible market, the way the British did in their greatest days. Canadian labour deserves a great deal of credit, too, because they've backed management in this export drive by quality performance and common-sense wage negotiations. The new crop of labour leaders would rather be smart than tough, and they know that in the long run that attitude will get a higher standard of living. It has been a lucky combination of top-flight men in management and labour that has given us this spurt. The snowball is rolling and it may yet be true that the sixties will bring the biggest boom — solid boom — that Canada has ever known.

Stirling 4-H Calf Club

The second meeting of the Stirling 4-H Calf Club was held at the Department of Agriculture Board Room.

Lyall MacLachlan showed some common barberry and buckhorn so the members could identify them at home.

Several members gave a short report on the care and feeding of a calf. A short talk on quality milk was given by Mr. MacLachlan.

Questions for the next meeting were given and members were assigned some homework.

Halters made at home by the members were checked over by the leaders.

The next meeting will be held at the farm of club member Ted Reid, R.R. 2 Campbellford and will be on judging.

Lunch was served to all the members.

Commercially speaking, the Douglas fir is more valuable than any other tree.

The Food Basket

IT'S THE SEASON FOR CHICKEN BROILERS

The warm golden days of early summer are luring our amateur barbeque chefs out-of-doors in great numbers. Succulent chickens roasting on spits and hungry-eyed children eager for seconds make outdoor cooking a real pleasure.

Whether you are planning a family cook-out or an indoor dinner for friends, chicken broilers are a perfect choice for any occasion.

Chicken broilers or broiler-fryers are in plentiful supply right now and are an economical meat buy. It pays to get an extra chicken or two to hold in the freezer for ready use.

These tender young chickens are marketed from 6 to 10 weeks of age and weigh from 1½ to 4 pounds. To choose good broilers, look for the grade mark. You will find it on a metal tag on the breast of the bird or printed on the transparent bag or an insert inside the bag. The most commonly found grade is Canada Grade A (red tag) which ensures a well formed, well fleshed bird.

Broilers are sold fresh or frozen. They are available whole or split down the back into 2 halves; cut into 4 quarters; or cut into pieces — breasts, drumsticks, thighs and wings. Large food stores sell rotisserie cooked broiler too. This is a convenience item and cost versus time saving must be considered.

When buying chicken for your family, allow ¾ pound per person as an average serving.

There are many ways to cook broilers. Whole birds may be roasted, barbequed or rotisserie cooked. Cut-up chickens may be fried, butter baked, broil-baked or barbequed. Halved chickens may be broil-baked, butter baked or barbequed.

The home economists of the Consumer Section, Canada Department of Agriculture, suggest boning the legs and breasts of the broilers, filling them with your favourite bread stuffing and "butter baking" them. Here is a recipe they have tried and found successful.

Butter Baked Chicken Rolls

"Tender boned chicken pieces with a savory stuffing baked in butter to golden perfection."

3 whole chicken breasts
OR 6 whole chicken legs (drumstick and thigh)
3 cups bread stuffing
Salt
Pepper
Paprika
½ cup melted butter

To Bone Chicken Breast

To remove the center bone or keel bone — place whole breast skin side down and press sides flat. Cut the pearl-like cartilage at the neck end of the keel bone and with fingers snap out keel bone.

To remove rib bones — use a small sharp pointed knife and cut between the flesh and rib cage, as close as possible to the rib bones, from center of breast to outer edge. Repeat on other half of breast.

To Bone Leg

Place leg skin side down. With a small sharp pointed knife, cut down the center, from top of thigh to tip of drumstick, following the leg bones. Scrape meat away from bones with point of knife and lift out bones.

To Stuff and Butter Bake Chicken

Place 1 cup well-seasoned bread stuffing on boned breast. Fold over and fasten with skewers. Place ½ cup stuffing on thigh end of leg. Fold drumstick end over top and fasten with skewers.

Sprinkle chicken with salt, pepper and paprika. Arrange in greased baking dish and pour melted butter over it. Bake in a moderate oven (350 degs F.) until tender. Turn and baste at half time. Cooking time: Breasts about 1½ hours; legs about 1¼ hours. Six servings.

Societ secondary schools are graduating 1,500,000 students per year as against 1,300,000 in the U.S.

The Good Driver

SLOW DOWN AND LIVE FOR SUMMER SAFETY

Summer's three vacation months will see a nation-wide campaign designed to alert motorists to the dangers of speed. The drive will be sponsored nationally by the Canadian Highway Safety Council with active participation by provincial and municipal safety groups. Opening Monday, June 1st and ending on the Labour Day week-end, "Slow Down and Live," as the campaign is known, will call on all motorists to recognize the danger in driving too fast for conditions.

"In the six years CHSC has given national sponsorship to 'Slow Down and Live' in Canada," said W. Arch Bryce, the Council's executive director, "unthinking people have accused us of promoting the slow driver. That of course, is nonsense. All we want the driver to realize is that 20 miles an hour can be too fast under certain adverse conditions. We want him to realize, too, the simple fact that a head-on collision between two cars each travelling 60 miles an hour produces an impact of 120 miles an hour. We want him to know, every minute he's behind the wheel, that he, not the other fellow, is responsible for road safety. In fact, to the drivers around him, he is the other fellow. He can't possibly shrug off that responsibility."

EXTENDED

The new young preacher was very fond of telling his congregation that he preached "the Word."

His congregation included a family of several children. One of the boys remarked to his sister as they left the church one noon that the preacher had taken a long, long time to "say the Word." —The Printed Word.

NEWS FOR THE BUSY FARMER

CHEESE PRODUCERS PROTEST REDUCTION IN EXPORT SUBSIDY

New export subsidies for dairy products, recently announced by the Federal Government, are very disappointing to cheese producers, says H. C. Arnold, of Campbellford, Chairman of the Ontario Cheese Producers' Marketing Board. The subsidy for cheese has been reduced to two cents a pound.

Taxpayers will spend four times as much in subsidy to export a given amount of milk as whole milk powder as it will cost to export the same amount of milk as cheese, it is said.

"Last year," says Mr. Arnold, "the cheese subsidy was reduced from four cents to three cents and the present reduction of another cent could do a great deal of harm to the export of our world-famous Canadian cheese. This reduction in subsidy will save the Government only $250,000, approximately based on last year's exports.

Mr. Arnold stated, "The 6.3 cent subsidy now being paid on export whole milk powder by the Agricultural Stabilization Board to processors will cost the federal treasury the equivalent of 78.7 cents per hundredweight of milk.

"But in the case where the farmer owns the finished product and exports it himself, namely our premium cheddar cheese, the subsidy paid to assist exports to world markets, at two cents a pound, is the equivalent of only 18.1 cents per hundredweight of milk, which does not compare favourably with the 78.7 cents per hundredweight subsidy paid for milk for powder."

"It seems as if Governments have been persuaded once again to spend the taxpayers' money in supporting large interests rather than creating favourable conditions for the producers."

"The reduction in subsidy will mean a ten cent per hundredweight decrease for the farmer's milk unless the price of cheese can be raised to the United Kingdom importer."

ANIMAL BLOOD LINE IMPORTS

Canada is co-operating with the United States in endeavouring to develop procedures for introducing animal blood lines from countries where the threat of certain diseases has prohibited the movement of livestock to North America, Agriculture Minister Harry Hays announced recently.

Because of the interdependence of Canada and United States for both disease control and markets for meats, Mr. Hays said he and his officials have had extensive discussions with the U.S. Secretary of Agriculture and officers of his department.

The Minister said that if it proves possible to permit entry of blood lines from other countries without risk, this could add to the efficiency of Canadian livestock. And, he added, this is in line with the government's announced intention of taking all possible steps to improve the competitive position of Canadian livestock.

He said notice has been given that amendments are proposed to United States federal regulations governing the importation of animal semen. Interested persons will have 60 days in which to submit views on the proposed changes.

If implemented, the U.S. proposal would require the testing in the country of origin of the males from which the semen is to be sent to this continent and subsequent testing through inoculation into susceptible animals after arrival and before release. The importer would pay the cost of all tests.

Mr. Hays said he has discussed with Secretary of Agriculture Orville Freeman the possibility of joint inspection arrangements by Canada and the United States if the proposals are adopted.

THE BIBLE TODAY

The first in a new series of Scripture publications designed to attract those who have not previously been interested in the Bible has been announced by the Bible Society.

Dramatically illustrated with pictures of life in a modern city, the first volume is called "One Way for Modern Man." It presents the Gospel of John in the contemporary language of the J. B. Phillips translation.

The new publication is part of the programme called "God's Word for a New Age," which is intended to emphasize the pertinence of the message of the Bible to contemporary peoples. Consequently, modern type, modern pictures and a modern translation have been employed.

The twenty photographs are the most striking part of the new paperback volume, which is in digest magazine size. Reflecting in part the increasing concern of churches for urban society, the illustrations are drawn from the bustling streets of a big city, rather than rural areas. The pictures are all full-page and are related to the text on the facing pages. Captions are omitted to permit the reader to relate both pictures and text to his own experiences.

Copies of "One Way for Modern Man" can be obtained for twenty-five cents each from Canadian Bible Society's offices and stores across Canada.

Switching tires from one position to another on the car prolongs tire life. Tire switching saves tires by equalizing wear and "exercising" the spare. Service enginners point out that by switching your tires every 5,000 miles and using the spare you can drive 25,000 miles and put only 20,000 miles of wear on each of the tires.

Highway Menace

"Except for the failure of a car's brakes, failure of the steering mechanism probably is the most horrible experience a motorist can have," declared W. Arch Bryce, executive director of the Canadian Highway Safety Council and member of the Council's vehicle safety committee. "The driver who finds himself unable to steer his car experiences a type of hysteria probably equalled only by the drivers of cars in his vicinity. Unless he locates and repairs the steering fault before it creates a deadly situation, lack of control, coupled with the resulting confusion and panic, will almost certainly produce a serious crash."

Mr. Bryce joined with other committee members in asking all motorists to have their vehicles checked by skilled mechanics during the Council's spring car-check campaign. "One driver of a mechanically faulty car is a menace to every other driver on the road," he warned.

Assumed from other municipalities for public school ..	5,580.00
Net debenture debt	$146,630.81

REVENUE FUND BALANCE SHEET

Cash on deposit — verified by direct confirmation from the Bank of Montreal in Stirling, Ontario.

Accounts receivable — verified by examination of custom work records.

Due from Province of Ontario — estimated balance of 1963 road subsidy and 1963 development road grant.

Taxes receivable — verified by circularization of tax arrears notices directly to ratepayers.

Deferred revenue — represents net overlevy for high school and county rates.

Reserves — represents the amount set aside out of surplus into a reserve for working funds.

Surplus — the operations for the year resulted in a surplus of $14,041.46 after bringing forward a surplus from prior years of $5,493.87. Surplus has also been adjusted to reflect an underestimation of the 1962 road subsidy receivable of $3,759.70. An amount of $5,000.00 has been provided as a reserve for working funds.

We hereby report that in our opinion:

(1) The financial transactions which have come under our notice have been within the powers of the Municipality.

(2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.

(3) The financial statements present fairly the financial position of the Municipality as at December 31st, 1963 and the results of its operations for the year ended on that date.

MRS. ALFRED LINN

Pearl Edna Wallace, wife of the late Alfred Linn, died suddenly in Peterborough on Friday, May 29th, in her 76th year. She had been a resident of that city for 11 years, and prior to that of Rawdon Township.

Born in Rawdon, the daughter of the late Eliza Danford and David Wallace, she lived most of her life in that township. Mr. Linn passed away shortly after his retirement from the farm and moving to Peterborough.

Mrs. Linn was a member of St. Giles Presbyterian Church, and formerly of St. Andrew's Burnbrae.

Surviving are five daughters, Mrs. Leo (Jessie) Fry, and Mrs. Stewart (Mina) Bedford, of Campbellford; Minnie and Winnie, of Peterborough, and Lela, of Toronto. Another daughter, Leafa predeceased her. There are also two sisters, Mrs. Gertrude Cooke and Mrs. Margaret Ward, and one brother, Earl Wallace, all of Stirling.

The funeral service was conducted on Monday, June 1st at Bennett's Funeral Home, Campbellford, by Rev. Allan Duncan, assisted by Rev. A. E. Toombs. The pallbearers were Henry Lentz, Harry Cooke, Carl Linn, Ernest Thain, Alfred Parker and James Johnston. Flower bearers were Alex, Bill and Harold Linn, Ira Althouse, John Cleugh, William Hinds, Fred Fry, Howard Wallace, Ernest Outwater and Ken Oddie.

Interment was in Burnbrae Cemetery. —Campbellford Herald.

St. Paul's U.C.W. June Meeting

(Continued from page one)

ning has been adopted for this year. The programmes for the General meetings will be drawn up September to September. Units will continue as usual, preparing the programmes from January to January for this next year.

The resignation of Mrs. Sidney MacDonald as Leader of Unit Two was accepted with regret. The leadership Mrs. MacDonald has given her group and her assistance at General meetings has been much appreciated.

Mrs. Good was rather taken by surprise when Mrs. Wendell Camm, Membership Convener, called Mrs. Good to stand and presented her with a life membership certificate and pin. This was the gift of Mr. Good.

Unit Three conducted the program on "Christian Education and Missionary Education." Mrs. Blake Faulkner very capably outlined the New Curriculum programme and displayed the new children's aud adult's books. The New Curriculum begins with adults studying and continues down to the nursery child. The adult study book is "God and His Purpose." It is hoped that every U.C. lady will own and study one of these books.

Mrs. Faulkner then introduced the actresses in a four scene play: Mrs. Max Maguire, as Minister; Mrs. Lloyd Jones, Student Minister; Miss Donalda Kerr, School Teacher; and Mrs. Bert Bastedo, Landlady.

As the play was presented Mrs. Faulkner asked the audience to ponder the ways in which we as United Church Women can help to strengthen the work of the Home Mission Field. The play first depicted the student minister's reaction upon first coming to a Home Mission Field, and then his reactions after having spent a summer with his charge. The meeting was closed by prayer by Mrs. Gilbert Finkle.

Following a social half hour, Mrs. R. B. Duffin thanked all for the enjoyable evening.

A parting message written as Mrs. Van Beekhoff left Canada in August, 1963: "Your opportunities in glorious and free Canada are immeasurable. May you all continue to live up to the challenges of these times as informed citizens, with doors and windows wide open to the world."

Mr. and Mrs. Jack Spencer were guests at a reception and buffet supper in honor of her cousins, Mr. and Mrs. John Ray, at the home of his parents, Mr. and Mrs. Kenneth Ray, of Stirling, on Saturday evening.

Mr. and Mrs. Fred Petherick visited her mother, Mrs. Minnie Morton in Belleville Hospital on Sunday.

Owing to Rev. H. D. Pillen having to be in Waterloo on Monday, the congregation of Spring Brook United Church united with Rylstone Church for the morning service. The choir of Spring Brook Church led the singing and sang a lovely anthem. There was a splendid attendance from both churches.

Mr. and Mrs. Eldon Anderson, Wayne and David, spent last Sunday at Picton, David and his mother enjoyed a plane ride.

Mr. and Mrs. Ray Stewart were Monday dinner guests of his sister and husband, Mr. and Mrs. Bill Donaldson in Peterborough.

Mr. and Mrs. Dick Morton and Reed were Sunday dinner guests of their daughter and husband, Mr. and Mrs. Ralph Thompson and family, Spring Brook.

Mr. and Mrs. Percy Mumby, Spring Brook, called on their niece, Mrs. Ellis Jones on Monday afternoon.

Mr. and Mrs. Eldon Anderson, Wayne and David, attended a birthday supper at the home of Mr. and Mrs. Gordon McArthur at Lakefield on Saturday night in honour of their hostess birthday.

Rylstone

Mrs. Minnie Morton underwent surgery in Belleville Hospital Tuesday last for the removal of a cataract from her right eye. We are glad to report her progressing favourably.

Mrs. Dick Morton spent Wednesday afternoon with her little granddaughter and grandson, Mary Ellen and Stevie Runnalls, at Harold.

Mr. and Mrs. Clarence Thomson and family and Mr. and Mrs. Lloyd Anderson and children called on their brother, Bill Thomson, his wife and Andrew on Sunday evening.

Committees Appointed Leading To Improvement of Stirling Arena

R. D. Cooke Heads General Committee — Support of the Community Requested

Improved arena facilities, including artificial ice, came one step nearer to reality during the past week. The Village of Stirling (in co-operation with Rawdon, Sidney and Huntingdon Townships) last week established a committee to work toward improved arena conditions. Last Friday, the newly formed group held its first meeting in the local Council Chambers.

The local arena, which was turned over to the Village of Stirling by the Stirling Legion, will henceforth be known as The Stirling District Memorial Arena. This decision was one of the first steps taken by the new Arena Committee. It is intended that it should be a memorial to all former citizens who lived, worked and played sport in this area.

In 1958, the community celebrated its 100th birthday. It would now seem fitting that serious thought and work should be directed toward the future. The arena is the only source of winter recreation in the community. Without it, there would be very little to offer our youngsters.

The newly-formed Arena Committee will endeavour to plan and work for much improved arena conditions which will benefit future generations. This ambitious project needs the support of all citizens in Stirling and district. At the time of our Centennial Celebration we learned what community spirit could accomplish. The same type of spirit will be required to bring the arena venture to a successful conclusion. The main task of the Arena Committee will be to muster the financial, material and moral support of the entire district.

Officers Elected

The chief item of business at last Friday's meeting was the election of officers and committees. Mr. R. D. Cooke was chosen Arena Committee Chairman, while Mr. Harold Wells and Mr. Wieger de Jong were elected Vice-Chaimen. Mr. W. L. Pollock, Clerk of the Village, will act as Treasurer, while Mr. R. B. Bell will be the Arena Committee Secretary.

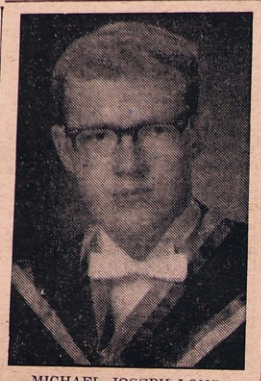
Three committees were established to look after specific items of concern. The Finance Committee is chaired by Mr. Harold Wells. Other Finance Committee members include: Mr. Irvine Potts and Mr. Ralph Wellman, representing Rawdon; Mr. Doug Pyear, of Sidney; Mr. Lindsay Sills, Huntingdon, and Messrs. Allan Lawes and Les Rawlings, of Stirling.

A Building Committee, under the Chairmanship of Mr. Wieger de Jong, was also organized. Other members include: Mr. Harry Cooke, Mr. Claude Trumble and Mr. Don Rodgers. It is also understood that steps will be taken to include an artificial ice expert on this committee in an advisory capacity.

The third committee organized was a Publicity and Information Committee under the Chairmanship of Mr. Doug Patterson. Mr. Bob Hulin is the only other member of this committee at present. It is hoped to include several more members in the very near future. Volunteers with typing experience will be required at a later date. Anyone who wishes to assist in this respect should contact Doug Patterson as soon as possible.

Next Meeting
Mon., June 15th

The next meeting of the Arena Committee will be on Monday, June 15th at 8.15 p.m. in the local Council Chambers. All members are asked to be on hand.



MICHAEL JOSEPH LONG

who received an Honour Bachelor of Science degree at a recent convocation in Grant Hall, Queens University, Kingston, has been awarded a Scholarship by the National Research Council, and will pursue his studies at the University of Toronto in the fall. He is the son of Mr. and Mrs. Frank Long, Edward Street.

Bowling Tourney At Ottawa

A team of alley bowlers representing L.O.L. No. 442, Spring Brook, participated in an Orange Bowling Tournament held in Ottawa Monday. Members of the team were Joe Hagerman, W. Acker, Everett Cooke, Murney Bateman, Delbert Mumby and Alex Grabouski. The boys didn't reach the prize circle, finishing 8th, but report a fine time.

Bowl At Campbellford

Mr. and Mrs. R. E. Fox attended the mixed doubles tournament sponsored by the Campbellford Bowling Club yesterday afternoon and evening. They won two out of three games played but failed to reach the prize circle.

Honoured On 25th Anniversary

The home of Mr. and Mrs. W. A. Rathwell, Bonarlaw, was the scene of a happy gathering on Wednesday night, June 3rd, when a group of relatives and friends arrived from Warsaw, Ont., to honour them on the occasion of their 25th wedding anniversary. Included in the group were their bridesmaid and groomsman of 25 years, Mr. and Mrs. Elmer Ball, the former a brother of Mrs. Rathwell.

During the evening Mr. and Mrs. Rathwel were presented with a pole Rathwell were presented with a pole cutlery. Cards were also played and a buffet turkey supper served.

Rexall Drug Store Collects Funds For Can. Olympic Team

Local druggist, George Noble, is extending a helping hand to the Canadian Olympic Fund Committee. A special collection box has been installed in his store to make it easy for residents of Stirling and district to provide direct financial support for our Olympic athletes. This action follows the recent appeal for financial support made by James Worrall, Q.C., President of The Canadian Olympic Association. Over 1,400 other Rexall Drug stores throughout the country will also be acting as Official Olympic Fund Collection Centres. While all levels of Government are supporting the Olympic athletes we are sending to Japan next October, Rexall's collection service will enable any citizen to become a "shareholder" in Canada's team, announced Mr. Worrall.

The collection box is in the form of a large size "Super Plenamins" bottle — the vitamin product chosen for use by the Olympic athletes. Customers will be able to spot it easily, by its location near the cash register, and by the red and blue card reading, "Support your Olympic Team."

Those wishing to make major contributions to the fund may send their donations to: The Olympic Fund Committee, c/o Rexall Drug Company Ltd., Cooksville, Ontario. Official receipts will be provided, on request, for income tax purposes.

In addition to providing this fund collection service on behalf of the Olympic Committee George Noble intends to participate in nationwide advertising support of the fund.

Robert L. Hulin Buys News-Argus

After serving as editor and publisher of the Stirling News-Argus for the past thirty years, H. R. Tompkins has decided to write finis to his editorial duties and has sold the newspaper and job printing equipment to Robt. L. Hulin.

The new owner has been an employee of the local paper for the past eighteen years, beginning as an apprentice, and is now an efficient linotype operator and all round printer. He is a home town boy and needs no introduction to the citizens of the district. Besides being a member of the Village Council, he is active in both fraternal and church organizations and has a host of friends who will wish him well in his new sphere. He takes possession on July 1st.

Attend Pharmacists' Assoc'n. Convention

G. B. Noble, local pharmacist, and Mrs. Noble, attended the Ontario Pharmacists' Association convention held in the Chateau Laurier, Ottawa, on Sunday and Monday.

The occasion was particularly enjoyable to Mr. Noble as it marked the 25th anniversary of his 1939 graduating class. Some fifty-eight of the '39 graduates were present for the reunion.

Cancer Appeal Results Announced

The results of the cancer appeal in Stirling district show some twelve hundred and forty dollars subscribed to date. There are still some canvassers who have not turned in their returns and it is expected the total will reach approximately fifteen hundred dollars.

J. V. Holt, chairman of the local committee, is relinquishing this post and wishes to express his sincere appreciation to the canvassers, donors, and all who assisted in any way in raising funds for this worthwhile project.

Miscellaneous Shower For Bride

The Misses Margaret and Lois Morrow were joint hostesses at a well-arranged miscellaneous shower in honour of Mrs. Robt. McArton, a recent bride, on Wednesday evening of last week.

The evening was spent in games, after which the guest of honour was seated in a decorated chair while Miss Margaret Morrow read an appropriate address. The large array of gifts were presented by Misses Helen and Lois Morrow. Mrs. McArton voiced her sincere appreciation to the hostesses and the donors, after which dainty refreshments were served and a social hour enjoyed.

St. James C.W.L. Monthly Meeting

The last meeting of the season of the Catholic Women's League of St. James the Minor Parish was held at the Rectory.

Mrs. Ray Burley read her report from the Annual Convention, which was held in Smiths Falls the previous week. The Rev. J. F. Shea, Associate Director, Canadian Catholic Conference, Ottawa, addressed the 350 delegates from the fifty-nine parishes in this Archdiocese at the banquet held on Sunday evening.

The highlight of the Monday business sessions came in the afternoon when a resolution was passed unanimously to the Provincial Council for government support and grants for "Shelted Work Shops" for the moderately retarded adults of 18 years and over. There are over 2,700 of these young people and with the proper training they are capable of contributing to today's society.

President Mrs. J. Forestell asked for approval of a motion to donate a suitable amount to the Monsignor Byrne Bursary.

Mrs. J. Ryan gave a spiritual reading and conducted a contest, "The Snow Game," which was won by Mrs. J. McAvoy. The meeting closed with prayer led by Rev. J. McGarvey. A lovely lunch was served by Mrs. P. McAvoy, Mrs. J. Ryan and Mrs. J. Forestell.

To Attend Mutual Life Convention

J. Farley Parnell, who serves Mutual Life Assurance Co. policyholders, in Stirling area, will attend a company convention in Halifax, N.S., the latter part of the month. He will be accompanied by his family.

D. G. Williams, also of Belleville, will attend a similar convention at Banff, Alberta.

Go West For Grand Lodge

Lorne Hagerman, Grand Master of Ontario East, of the Loyal Orange Lodge, left yesterday to attend the sessions of the Grand Lodge of British North America, being held in Regina, Sask. He was accompanied by Mrs. Hagerman.

Gary Thompson Best Cadet

At the annual Cadet Inspection of Centre Hastings Cadet Corps., No. 385, Madoc, Garry Thompson, son of Mr. and Mrs. Harold Thompson, West Huntingdon, won the award for the best cadet in the ranks. He was presented with a trophy, which will be suitably engraved, by Area Cadet Officer Captain F. A. McInnis. The award was donated by the High School Cadet Corps. He is a first year cadet and also took part in map reading and field craft display.

Local and Personal

Mr. and Mrs. Gordon Lucas, of Dutton, were Wednesday night visitors of Mrs. W. T. Elliott.

Mrs. Grant Potter returned home from Kingston General Hospital on Tuesday.

Mrs. Blanche Reid is spending this week in Belleville visiting relatives and friends.

Mrs. Gerald Bush, Henry St., left Tuesday by plane for Ireland to visit her grandmother.

Bert Jones is attending a Blue Bird Bus Distributors' Convention in Georgia, this week.

Mr. Hugh Hoard and Mr. Wm. Norris, of Guelph, spent the week-end with Mr. and Mrs. Robt. C. Hoard, of Stirling R.R. 3.

Mr. and Mrs. Chas. Woodley and Mr. Hubert Conley, of Lindsay, were week-end guests of Mr. and Mrs. Chas. Conley and Miss Mary Hulin.

Misses Eileen Wallace, Winchester, and Valerie Williamson, of Hamilton, were week-end guests of Mrs. W. T. Elliott.

Mr. and Mrs. Norman Rudolph, of Detroit, Mich., are visiting the latter's sister, Mrs. P. W. Long, and other relatives.

Mr. Rupert MacConnell, of Georgetown, spent Wednesday evening with his grandmother, Mrs. C. A. MacConnell, and Mr. and Mrs. Lorne MacConnell.

Mr. and Mrs. Roy Metcalfe, of Bowmanville, were week-end guests of Mr. and Mrs. Claude Tucker. On Sunday they were all dinner guests of Mr. and Mrs. A. E. Caskey, Frankford.

Friends of Mrs. Geo. Wood, North St., Stirling, will regret to learn she has been a patient for over two weeks in Belleville General Hospital and will be there for awhile undergoing treatment.

Mr. and Mrs Richard Hewton and Mr. and Mrs Maurice Faulkner attended the funeral of the former's brother, Robert Hewton, in Trenton, on Saturday afternoon. The funeral was held from the Weaver Funeral Home. Interment Carrying Place Cemetery.

Transferred

Stirling and district friends will be interested to learn that David Bell, who has been on the staff of the Bank of Montreal in Eganville, has been transferred to Prescott, Ont. He will assume his new duties on Monday next.

In Hospital

Friends of Mrs. Floyd Bartlett will regret to learn she is a patient in the Belleville General Hospital suffering from a heart ailment. She was admitted on Friday last.

Wilmot Alcombrack, Ridge Road, is a patient in Belleville General Hospital, where he was admitted this week.

Local Golfer Has Hole-In-One

The golfer's dream — a hole-in-one — was realized by Bob Noble, of town, a member of the Bay of Quinte Golf and Country Club, Belleville. Playing with a friend, Michael Long, also of this village, and using a nine iron, the hole-in-one was made on the ninth hole on Saturday afternoon.

Lawn Bowlers To Have Pot Luck Mon.

The lawn bowling season will officially open on the Stirling greens next Monday night, June 15th.

A potluck supper, to which all old and prospective members are invited, will be held at 6.30 p.m. Following the supper a mixed jitney will be held.

If there are those who wish to try out the game they are invited to come. Bowls will be supplied and instruction in the fine points of the game will be gladly given.

Monthly Meeting St. Andrew's Club

The monthly meeting of St. Andrew's Club was held in the church parlours on Monday night. Mrs. Donald McIntosh occupied the chair and Mr. E. Burrell read the Scripture Lesson. Mrs. McIntosh conducted the meditation.

The question of a family picnic for the Sunday School and congregation was discussed and a tentative date was set. Following a discussion of some minor items of business the meeting adjourned. Lunch and a social hour were later enjoyed.

Presentation of Cub Badge

A very pleasant ceremony took place at West Hill, Ont., at the morning service in Melville Presbyterian Church last Sunday, when David Louis Brown was presented with the Wolf Cub Religion and Life Badge. The presentation was made by Rev. E. H. Hunter, minister. David was also the recipient of a gift from the Kirk Session which was made by Mr. Harry Dougty, Clerk of the Session.

He is the son of Mr. and Mrs. W. J. (Ross) Brown, 4363 Lawrence Ave. E., West Hill, Ont., and grandson of Mrs. Louis Rodgers, formerly of this Village.

LEGION NOTES

Several members of Branch 228 attended the Zone meeting held in Tweed last Sunday, June 6th. President Allan Lawes reports that a good attendance from the Zone was on hand to deal with several important items of business. President Lawes will make a detailed report to the branch at the earliest opportunity.

The Zone meeting decided to hold its next session in Stirling. This will be the first time in many years for our branch to act as host for such a meeting. No date for the meeting has been decided at this time, however, it is expected to be called for either

Madoc Defeats Stirling in TVL

Tie Game Until Seventh Inning — Visitors Broke Loose to Win By 16-8 Score

Stirling softballers dropped a decision to Madoc in a Trent Valley League fixture played at Henry St. diamond on Monday night. The game was close-fought until the latter innings with the score tied 7-7 at the end of the seventh. However, Bolte, who was on the mound for the homesters, weakened and Madoc put across five runs in the eighth and 4 in the ninth to take a 16-8 verdict. Due to school examinations, the locals were without the services of H. Jeffs, pitching ace, and some other players. Paul Rollins came in from left field to pitch part of the eighth and ninth innings.

Kramp started on the mound for Madoc and went until the sixth when Stirling put across four runs to lead 7 to 4. He was replaced by Blackburn who finished the game, with Hamilton going behind the bat.

Stirling opened the scoring in the first inning with two runs, added one in the fourth, four in the sixth and one in the ninth. Madoc got one in the 2nd and three in the fourth to lead 4 to 3. After Stirling took the lead in the sixth Madoc came back to tie with three runs in the seventh. They added five in the 8th and 4 in the 9th, for a total of 16.

Elliott and Lindsay hit homers for the winners and Bob Neal had a triple for Stirling.

Lineups

Madoc — Hagerman, 3b; Stickwood, 1b; Whiteman, ss; Elliott, 2b; Bateman, cf; Blackburn, c; Fox, lf; Harris, rf; Kramp, p; Hamilton, c in 6th and Lindsay, lf.

Stirling — Rollins, lf; Smith, ss; Donohoe, 2b; Neal, c; Vandervoort, cf; Irvine, 1b; Glen Hagerman, rf; McConnell, 3b; Bolte, p. Foshay batted for Vandervoort in the 6th and Grant Hagerman for Irvine.

Score By Innings

Madoc	010 300 354—16
Stirling	200 104 001— 8

Mrs. Gerald Russett Hostess To Wellman's UCW

Mrs. Gerald Russett was hostess to the ladies of Wellman's United Church on Tuesday, June 2nd.

The President, Mrs. Omar Dracup, using the theme "Missions," opened the meeting by reading Matthew 10: 5. The hymn, "Now the Day is Over" was sung, after which the prayer hymn, "God Be in My Hand" was repeated.

Mrs. Keith Clancy conducted the worship service basing her talk on "Our Mission of Kindness — Little Service!" The hymn, "He Liveth Long Who Liveth Well," was sung.

Mrs. Clancy gave a commentary on the theme, stressing the many acts of kindness that we can do and should do. Mrs. Alfred Akins read the Scripture lesson, Ephesians 4: 1-7 and 25-32 and Colossians 3: 12-17. The hymn, "Lord Speak To Me That I May Speak" was sung. Mrs. Douglas Clancy read a poem entitled "Service." The hymn, "Rise Up O Men of God" was sung and Mrs. Clancy closed the devotional period with prayer.

Little Miss Mary Akins took up the offering which was dedicated by Mrs. Dracup. The minutes were read by the Secretary, Mrs. Ken Tompkins. The roll call containing the thought "mission" was answered by 14 members.

Mrs. Burton White gave a reading "City of Dreams." Mrs. Jim Pollock gave another reading entitled, "Summer Tranquility."

Mrs. W. G. Fletcher gave the chapter from the study book which was based on India. Mrs. Fletcher showed a film, accompanied by a recording, giving conditions in India, which proved most interesting. There were descriptions of the land surface, comments on the area of the county. The religious groups of India were discussed. The progress of democracy, religion, medical and dental care were stressed. Women are beginning to take part in the public life.

Mrs. Dracup thanked everyone taking part in the meeting, also the hostess for her hospitality. The hymn, "The Ninety and Nine" was sung, followed by all repeating the Lord's Prayer. Refreshments were served by the hostess and her assistants and all enjoyed a social period.

Petty Thieves Are Active At Frankford

Provincial Police from Belleville are seeking petty thieves who broke into the Oasis Restaurant at Frankford on Sunday night. About $100 in change, cigarettes, chocolates and other small items were missing.

Mrs. M. McMullen Hostess To River Valley W.I.

On Thursday afternoon, June 4th, Mrs. Malcolm McMullen was hostess for the regular meeting of River Valley Women's Institute. Eighteen members and three visitors were in attendance.

Mrs. Vernon Harry conducted the opening exercises. Mrs. Ernest Carr and Mrs. J. R. Donohoe gave their reports. The correspondence included a message of thanks and letters from two local groups. Mrs. Ralph Utman read an article re hazards at the summer cottage. Mrs. Roy Tucker read about pilot projects for retarded children. Mrs. Harry Corby gave current events.

Mrs. Percy MacMullen, Friendship Link Secretary, said Abbot's Leigh Institute in England won a green star in the recent drama festival at Long Ashton. This group was congratulated for putting on the first half of their drama in total darkness. The newspaper clippings included several interesting items.

For Public Relations, Mrs. MacMullen synopsized an airmail letter received June 2nd from Mrs. Sheila Delfosse, Publicity Secretary of the Associated County Women of the World. This gave a vivid description of the recent honour bestowed on the President, Mrs. Geerda Van Beekhoff Van Selms, of the Netherlands, who has been created an Officer of the Order of Oranje, Nassau, on the occasion of Queen Juliana's birthday. This is a high rank given for work in the international field. The decoration is a cross of gold with an enamel cross and a golden crown.

Mrs. Van Beekhoff wrote these words: "So here we are with a house full of flowers (27 baskets arrived), letters and telegrams pouring in, fifty members of the village band with a serenade. I wish I could have all the women of A.C.W.W. here to share the honour and friendliness of our people. I feel proud and happy and very grateful."

Mrs. George Heasman displayed the new Tweedsmuir History Book beginning in 1960. This was very artistically arranged and contained much valuable information. She also displayed a scrap book of press clippings centred around Institute work and news of general interest.

Mrs. Roy Tucker passed the penny jar and she gave a brief outline of the nine Members of Honour of A.C.W.W. as recorded in the Countrywoman magazine. One of these was Mrs. Godfrey Drage, M.B.E., who conceived the idea of "Pennies for Friendship." She died in 1963 at the age of 87.

In the business period it was decided to ask for the short course on Millinery with Creative Cookery as a second choice.

A donation of five dollars was made to a presentation fund and six dollars was alloted as prize money for the Ladies' Division of Stirling Fair. It was also decided to give the Tweedsmiur History Book Committee the sum of seven dollars to be applied on expenses.

Programme

Mrs. Ralph Utman presided over the programme and the roll call on superstitions gave many humorous ideas.

Report of District Annual

Mrs. Roy Bush gave a very comprehensive report of the recent District Annual of Hastings West. She compared various items of interest with those of other years and presented many worthwhile points to remember.

Mrs. Claude Tucker read an article of interest re gardening.

The convener conducted a unique contest which was won by Mrs. Geo. Heasman and the meeting closed with the Queen and Institute Grace.

The hostess and lunch conveners served sandwiches and relishes. Mrs. E. Carr voiced appreciative thanks for hospitality, programme district report and refreshments.

Community Art Festival At Madoc Art Centre

The 12th Annual Opening and Community Art Festival at the Madoc Art Centre on Trans-Canada Highway No. 7, will take place on June 26th, 27th and 28th. Last year at the one day Festival some 350 persons attended from various parts of Ontario, Quebec and the United States. The time has been increased to three days this year so as to provide for folk dancing and music in addition to arts and crafts.

The theme of the Festival is in anticipation of Canada's Centennial. There will be an exhibit by the County of Hastings Historical Society and the Canadian Handicrafts Guild including a series of pictures depicting Canada's history. There will also be a special exhibition of "Pop" art in the Gallery at the Centre.

Three performances of folk dancing and music will portray Canada's history in music and song. The Friday evening concert is being arranged by Mrs. Edith Fowke, Canada's foremost collector of folk music.

On Saturday evening Tom Kines of the CBC Ottawa and a professional group of entertainers will put on the performance. This programme will be televised at the Centre for rebroadcast later during the summer. Local entertainers are invited to take part on Friday evening and Saturday afternoon.

On Saturday morning there will be demonstrations of activities of early pioneer days such as rug hooking and quilting, archery and flycasting and log cutting.

In the afternoon the opening ceremonies will take place at 2.00 p.m., followed by choral singing and folk dancing by ethnic groups in native costume. There will be a special ballet performance by students of Rhoda Bain, ballet instructor at the Centre. There will also be a demonstration of early square dancing by Ham Wolfrain and his Toronto Twirlers.

On Sunday morning there will be a special service at Trinity United Church, Madoc, with religious folk music in keeping with Canada's spiritual heritage. In the afternoon a free educational programme of folk music will be conducted by Edith Fowke and Tom Kines.

Everyone is invited to take part in each or all of these activities in anticipation of Canada's Centennial.

THE BIBLE TODAY

"Very embarrassing," stated the Rev. John T. Mpanyei of Nairobi, Kenya, in connection with the difficulty of supplying Gospel Portions in Swahili, Kisii and other languages of East Africa. Scriptures are wanted, and there is a real hunger for this kind of reading material, he explained.

Mr. Mpanyei explained how some churches had increased their membership by increasing the circulation of Scriptures in the immediate area. One congregation, as a direct result of distributing Gospel Portions had doubled its membership in three years, and trebled it in five years!

Ten thousand New Testaments were requested by 1 language group. Only three thousand were available and these were picked up in three weeks. The surge in literacy and the relative cheapness of Gospels has developed a ready market.

In the first four months of 1964, the number of Scriptures distributed has equalled the whole of that in 1959. 520,000 were distributed in 54 languages of East Africa in 1963. The population of this area is 25 million persons.

When visiting Canada recently, Mr. Mpaayei spoke to a gathering in the Bible House, Toronto. Educated in Kenya and England, it is expected he will be the first African to be appointed as an agency secretary for the Bible Society in Africa.

Audio-Visual Aids To Congress Study In Steady Demand

TORONTO — Questions raised and challenges posed by the great Anglican Congress last year still are exercising synods and official bodies of the 18 churches that comprise the world-wide Anglican Communion.

The Anglican Book Centre here reports a steady demand for audio-visual material prepared by the Congress Public Relations Committee.

More than 70 copies of "Rebirth of a Church," a 30-minute 16 mm documentary film of the Congress have been sold. The color film incorporates highlights of the Congress and recaptures the excitement of the event.

"Where Do We Go From Here," is an 18-minute filmstrip with disc that is interpretative rather than documentary. Two hundred copies had been sold at the end of April. The filmstrip combines colour pictures of the Congress itself with abstract art slides and photographs of the church around the world backgrounded by modern music.

"The Congress Record — a Documentary in Sound," is a 12-inch long-play record incorporating fine choral music and excerpts from addresses by Congress leaders, including a partial reading of the important document "Mutual Responsibility and Interdependence in the Body of Christ." Orders for 568 copies have been received by the Anglican Book Centre.

Stirling Cubs At Tweed Cuboree

One hundred and sixty Cubs and some 15 leaders gathered at Tweed Fair Grounds on Saturday, May 30th for the first of the annual Cuborees to be held in Tweed.

Cubs, with their leaders, from Stirling, Marmora, Madoc, Tweed and Thomasburg, took part in the field day. The programme, directed by Assistant District Commissioner G. A. Russell, Holloway, consisted of non-competitive sports and tests of skill. Also attending and assisting with the programme were District Commissioner Joe Irish, Stirling; District Chairman, Capt. J. H. Thompson, Madoc. Chairman of the Moira Valley District Scout Committte, opened the Cuboree with prayer. —Tweed News.

Rylstone

A small accident that might have proved serious, if not fatal, occurred on Friday afternoon when the pupils of the Union School were on their way home. Given a ride by Gordon Finch in the back of his truck, First Grade pupil Dougie Spencer fell out of the truck when it started up suddenly, hitting the back of his head and spraining his arm. The wound in his head bled profusely, which no doubt was a good thing. He was taken to a doctor in Campbellford, who gave him a needle for Lock Jaw and allowed to return home. He was back in school on Monday.

Mrs. Minnie Morton returned home on Saturday from Belleville Hospital.

Week-end guests of Mr. and Mrs. Fred Petherick and Mrs. Morton were Mr. and Mrs. Wally Jackson and family and Mr. and Mrs. Doug Bedore and family, Oshawa; Mr. and Mrs. Marshall McCreadie, of Hamilton; Mr. and Mrs. Charlie Males, of Brighton; Mrs. Tom McKeown, Rylstone, and Mr. and Mrs. Roy Petherick and family, Belleville. Roy goes to Toronto General Hospital for surgery this week.

Mr. and Mrs. Gary Lounsbury, of Peterborough, were week-end guests of her parents, Mr. and Mrs. Wilfred Spencer. Pat and her mother called on her sister, Mrs. Clarence Thomson and family on Sunday afternoon.

Mrs. Ray Stewart visited her sister, Mrs. Alex Stewart in Campbellford on Thursday.

Congratulations to Jimmie Gray, Ninth Line, and Bob Bothwell, Campbellford, formerly of Rylstone, who were successful in their year's work at the Ryerson Institute of Technology in Toronto.

Mr. and Mrs. Archie Samus, of Dundonald; Mrs. Mabel Beggs, Campbellford, and Mr. Thos. Wood, of West Gilford, were Sunday dinner guests of Mr. and Mrs. Cecil Finch and sons.

Mr. and Mrs. Chuck Miller and Cindy, of Toronto, and Mr. and Mrs. Ernie Miller and boys, Trenton, were week-end guests of Mr. and Mrs. Chas. Stewart and Cathy

Mr. Chas. Miller attended the funeral of his cousin, Alex Stewart, at Guelph on Friday.

Mr. and Mrs. Ellis Jones visited his mother, Mrs. G. W. Jones in Stirling on Sunday afternoon. Mrs. Jones is confined to bed at her home following a fall in the flower garden at her home.

Mr. and Mrs. Aaron Anderson and her mother, Mrs. Norman Wannamaker, visited Mr. and Mrs. Lorne Wallace at Warkworth on Sunday.

Mr. and Mrs. Marshal MacCreadie, of Hamilton, were week-end guests of her brother and his wife, Mr. and Mrs. Thos. McKeown.

Fred Spencer, Kingston, spent the week-end under the parental roof.

Mr. and Mrs. Don Heath, Stirling, visited his parents, Mr. and Mrs. Ralph Heath and Carol on Sunday evening.

Bride-To-Be Honoured

On Saturday night Mrs. Walt Reid was hostess to a girls' shower at her home for Cora Reid, a June bride-elect, of Belleville, daughter of Mrs. Cora Reid and the late Thos. Reid.

The house was well filled with friends, relatives and neighbours and Mrs. Clarence Thomson was master of ceremonies for the following programme:

Reading, "How to Preserve a Husband," by Maureen Stewart; contests, "Scrambled Honeymoon" and "Place Names," by Mrs. Jack Spencer and Mrs. Lloyd Anderson; vocal and accordion solo, "Jesus Met Me," by Mrs. Bob Spencer; reading, "Wedding With Typographical Errors," by Mrs. Will Rutherford; vocal solo, "Do You Know the Lord," by Mrs. Don Stewart.

Mrs. Geordie Sutherland, Stirling, read an appropriate address to which Cora responded fittingly. Cora then opened the gifts, which were then viewed by all. While the guests were viewing the gifts, Mrs. Clarence Thomson played softly on the piano and Betty Lou Barnum and Maureen Stewart sang a few choruses.

Lunch was served by the hostess and a social time spent. Our good wishes go with Cora in her coming marriage.

Love is really a beautiful thing. It's just too bad that people have to get married and spoil it.

Madoc Junction

The annual Eggleton Church Cemetery Bee was held on Wednesday despite the rainy morning. Several of the men folk met and mowed the grounds and made the necessary improvements. At noon the Eggleton United Church Women served a bountiful dinner at the Church. A good number from Stirling, West Huntingdon, also the interested ones in the neighbourhood attended, including the teacher, Mrs. Godden, and all the pupils of the public school.

Mrs. M. Clancy and Mrs. Clarence Fitchett attended the meeting of the officers and directors of the Stirling Agricultural Society which was held on Thursday afternoon at the home of Mrs. J. Sheridan.

The pupils of Eggleton school journeyed to Brookdale School on Wednesday afternoon for a baseball game. The local team won the game.

Mr. and Mrs. Forde Stapley attended the funeral service of the latter's aunt, Mrs. Roy Thrasher, held at Mt. Pleasant United Church on Thursday afternoon.

Mrs. W. Harlow and Mrs. Bruce Stapley, representing Eggleton United Church Women, attended the Tea and Bake Sale held at St. Andrew's Presbyterian Manse, Stirling, on Friday afternoon.

Mr. and Mrs. Maurice Clancy and Lloyd visited Mr. and Mrs. Arthur Robinson and family, Actinolite, on Sunday afternoon.

Mr. and Mrs. Carl Bridges entertained relatives from Oshawa on Sunday.

Mr. and Mrs. Gordon Burrell visited Mr and Mrs. Murney Kirkey on Sunday evening.

Mr. and Mrs. Clarence Fitchett, Mr. and Mrs. Maurice Clancy and Lloyd visited with Mr. and Mrs. W. J. Fitchett and Miss Bessie Hollinger on Sunday evening.

Mr. and Mrs. Bruce Stapley and Lin called on friends at Coe Hill on Sunday.

Mr. Jack Douglas, of Indianapolis, visited with his cousins, Mr. and Mrs. Clarence Fitchett and Mr. and Mrs. M. Clancy and Lloyd on Monday.

Mrs. Harry Clarke and Miss Annamae Clarke called on Mr. and Mrs. Bruce Stapley on Sunday evening.

Miss Sondra Chambers, Toronto, spent the week-end at her home here.

Minto

Sorry to report Elgin Holden in the Belleville Hospital having undergone an appendectomy on Sunday morning. Friends hope he will soon be home again.

Mrs. Ralph Clements accompanied her parents, Mr. and Mrs. Ray Poste and brother, Gary, on a motor trip to Winnipeg. They left Wednesday morning and will attend graduation exercises of Richard Poste as a pilot.

Mr. and Mrs. Vernie Heath, Stirling, spent Wednesday with Mr. and Mrs. Lindsay Tanner.

Miss Annie Mary Courtney spent the week-end in Peterbobrough with her teacher, Miss Carol Holden.

Mr. and Mrs. Jim Courtney, Ottawa, were recent overnight guests of Mr. and Mrs. John Courtney.

Mrs. Don Campbell and boys, Stirling, were dinner guests of Mr. and Mrs. Lindsay Tanner on Sunday.

RIVER VALLEY WOMEN'S INSTITUTE

Community picnic to be held Sunday, July 5th at the Col. Vanderwater Park. Pot luck dinner at one o'clock. Bring your own dishes. Everyone welcome.

Mr. and Mrs. Sam Diamond, Campbellford, visited Mr. and Mrs. Orval Jackson on Sunday.

Mr. and Mrs. Stanley Keller were Sunday afternoon and tea hour guests of Mr. and Mrs. Don Keller, of Belleville.

Mr. Lorne Hagerman, Grand Master of Ontario East of the Loyal Orange Lodge, and Mrs. Hagerman, left by train on Wednesday to attend the Grand Lodge of British North America sessions being held in Regina.

Mr. and Mrs. John Courtney and family, Mr. Clare Tanner, Miss Edna Tanner and Mr. and Mrs. Lindsay Tanner were among the guests of Mr. and Mrs. Doug Stapley, Campbellford, on Saturday evening on the occasion of their thirty-fifth wedding anniversary.

Mr. and Mrs. J. B. Hagerman and Mr. and Mrs. Wilbur Bateman, Tweed, attended the dedication of the new Religious Education Centre at Warkworth United Church on Sunday afternoon and visited Rev. and Mrs. Lackey.

Maybe you were not chosen to be a great leader, but you have a duty to fulfill in just being what you are, and if you carry out those duties to the best of your ability you will have achieved a certain kind of greatness.

"If you can't be a pine on the top of the hill,
Be a shrub in the valley, but BE
The best little shrub at the side of the hill
Be a bush if you can't be a tree.
We can't all be captains, there must be a crew
There's something for all of us here;
There's big work to do, and there's lesser to do
And the task we must do is the near
If you can't be a highway, then just be a trail
If you can't be the sun be a star,
It isn't by size that you win or you fail
Be the best of whatever you are."

CARD OF THANKS

A very sincere "thank you" to friends, neighbours and relatives for personal calls, cards, letters, gifts and flowers while in Belleville Hospital and since my return home. Also to the nurses, Dr. Wm. Hipwell, Dr. Totten, the Rev. Wm. Fletcher and the Rev. Robt. Donnan.
11-1p Alice Jeffs

CARD OF THANKS

We wish to express our sincere thanks and appreciation to friends, neighbours and relatives for their many expressions of sympathy and acts of kindness during the illness and death of a beloved wife and mother; also our special thanks to those who remembered her with cards and personal calls during her stay in the Belleville Hospital; to Dr. P. Briggs and to nurses for their care and attention.

SPRING RHUBARB

Rhubarb lends a fresh tart flavour to meals when served as sauce, shortcake, pie, sherbert, punch or rhubarb crisp. It combines well with the flavour of strawberries and blueberries.

The home economists of the Consumer Section, Canada Department of Agriculture have two tested recipes using this versatile "fruit-vegetable." The first is a lovely frozen dessert simple to make and so good to eat. The second recipe is a children's favourite — bread pudding with tangy-fresh rhubarb.

Frozen Rhubarb Cream

1 egg
¼ cup sugar
Few grains salt
¼ cup milk
1¼ cups sweetened rhubarb sauce
¼ cup orange juice (optional)
¾ cup whipping cream

Beat egg, add sugar and salt and blend well. Stir in milk and cook over hot water, stirring constantly until thickened. Chill. Add to rhubarb sauce and blend well. Add orange juice if desired. Whip the cream and fold into rhubarb mixture. Turn into freezer trays and freeze to a soft mush. Scrape mixture from sides and bottom of tray and eat with a fork. Repeat once or twice during freezing, then freeze until firm. Six servings.

Rhubarb Bread Pudding

3 cups cut rhubarb (½ to 1 inch pieces)
2 cups buttered bread cubes (3 or 4 sliced bread)
1 cup sugar
½ teaspoon cinnamon or nutmeg
1 tablespoon grated orange rind
2 tablespoons butter
Cream

Wash and cut rhubarb. Butter slices of bread and cut in cubes (½ to ½ inch). Combine sugar, spice and orange rind. Arrange layers of bread cubes, rhubarb and sugar mixture in a greased 5-cup casserole, ending with bread cubes and sugar mixture. Dot with the 2 tablespoons of butter. Cover and bake in a moderately hot oven (375 degs F.) for 20 minutes, then remove cover and bake 15 to 20 minutes or until lightly browned. Serve with cream. Six servings.

OF MANY THINGS

A SUMMER BURNING

I've been reading Hal Boyle's book, A Summer Burning, just published by Doubleday & Company. It has filled me with nostalgia for my own boyhood in a small Manitoba town. Boyle's novel has a farm locale, but that's fine by me because we town kids spent every possible hour on nearby farms and usually worked on a farm in summer holidays.

What I remember, however, is the small town itself and the things we did. There was a local grist mill. There was a water tower which even the most timid boy in town climbed. The daredevils stood with only one foot on the little pipe at its very top.

The skating rink was the social center in winter. Every boy in town, I think, had a season's ticket. Best sport of all was to get into the rink in spring, after the season had closed, and steal some skating. The thrill of wondering about being caught at it was half the fun. Adults don't seem to skate very much these days. We skated almost every night in winter, and in the spring we either "broke in" to the rink (the caretaker always left a window open for us), or trudged a mile or two to the near-by ponds. Finding rubber ice was big stuff.

There was, in my town as in all others a Chinese restaurant. This was the gathering spot for the kids. How Barry Lee put up with us I don't know. He's an old man now, but he remembers every youngster from the town. A favourite sport is to go back home and call at Barry's. He always remembers the name;

Saturday night was a big night. All the farmers came to town, the movies changed, and there was a dance in the Town Hall.

These are things you will remember when you read Boyle's book. A Summer Burning. You'll enjoy his recollections; but you'll enjoy even more the way his story prompts your own memory to bring up long-forgotten adventures.

I haven't quite finished the novel yet. I won't tell you the story, for that would spoil it. I'm reading it slowly, a chapter at a time, savouring it. I hope you get yourself a copy and read it too. If you come from a farm or a small town, it will be a genuine joy to you.

According to one scientist, the human brain could store about 50 times more information than is contained in the 9,000 volumes of the Library of Congress.

The Good Driver

The Ontario Safety League quotes from a recent newsletter of the Motor Vehicle Safety Association — an informal study group of fleet safety supervisors:

A number of sage sayings seem to have present-day application:

● From the Bible (Nahum 11: 4, about 607 B.C.). "The chariots shall rage in the streets, they shall jostle one against another in the broad ways; they shall seem like torches, they shall run like the lightnings."

● At the time of Elizabeth I, Roger Bacon predicted: "It will be possible to construct chariots so that without animals they may be moved with incalculable speed."

● A Latin proberb: "Happy is the man whom the dangers of others makes cautious!

● Emerson said: "Life is not so short that there is always room for courtesy."

● Marcus Aurius had this to say. "Let no act be done haphazard, nor otherwise than according to the finished rules that govern its kind."

● Lord Chesterfield told his son: "Advice is seldom welcome; and those who want it the most, always like it the least."

● Horace — no doubt speaking on behalf of pedestrians — made this comment:

"Who can hope to be safe?
Who sufficiently cautious?
Guard himself as he may,
Every moment's an ambush."

Young Adults To Aid Safety

The first step in actively involving Canada's young adults in the nation's programme of accident prevention was the formation of a sub-committee of young adults in the National Safety League of Canada and the Canadian Highway Safety Council. Miss Louise Casselman, First Ottawa Cadets, Girl Guides, was elected chairman of this new group. Its aim will be to obtain the views of youth on safety programming and to enlist their active participation in projects across Canada.

A Youth Advisory Committee of NSL and CHSC has existed for several years, composed of leaders of youth groups. Until now, Canada's young people have taken part in safety programmes but their direction came from older people. "This new sub-committee will bring them right into the picture," said P. G. McLaren, general manager of the League. "We look forward to having their influence and eagerness on our side." Canadian Red Cross Society, YMCA, YWCA, 4-H Clubs, Girl Guides, Boy Scouts and such national youth bodies as these will be represented on the sub-committee.

CLASS OF '34

This year marks the 30th anniversary for a popular Canadian broadcaster, Don Messer. It was in 1934 that he first started network broadcasting on radio station CHSJ, Saint John, N.B. This picture shows his first group, the Backwoods Trio, as they broadcast 30 years ago. Standing are Don Messer, Duke Neilsen, announcer George Cromwell and Charlie Chamberlain. Seated is Ned Landry, then featured on the mouth organ but not known for his country fiddling skill. Announcer Cromwell is still in the broadcast field — as General Manager of CHSJ and TV station, Saint John.

NEWS FOR THE BUSY FARMER

MEASURING HOG BACK FAT

Measuring back fat thickness on a breeding pig can tell the swine breeder a great deal about the type of offspring he can expect from this pig.

Mating a sow and boar that have more than desirable amounts of back fat will probably produce a litter that will be overly fat when marketed.

A simple method has been used for measuring the amount of back fat on live pigs. This is explained in the new Canada Department of Agriculture bulletin, "Probing for Back Fat Thickness in Hogs." You can get your copy free by writing to the Information Division, Canada Department of Agriculture, Ottawa. Ask for Publication 1211.

The bulletin illustrates the equipment needed and how to use it.

WAR ON BARBERRY BUSHES STARTS IN CENTRAL CANADA

The common barberry bush is on the way to becoming just a memory in Ontario and Quebec.

Handsome as it may be in appearance, barberry is host to organisms that create races of stem rust that attack oat and other cereal crops. It has been estimated that oat crops in Ontario and, to a lesser extent, in Quebec, are damaged to the extent of some $6 million annually from stem rust.

To check the advance of the disease and to give researchers a chance to develop new resistant oat varieties, a million dollar programme has been launched to eradicate barberry in Ontario and Quebec.

The eradication programme is being co-ordinated by Canada Department of Agriculture's Plant Protection Division.

The federal government pays half the shareable costs of the three-year programme.

First shot in the war on barberry was fired recently when spray crews moved into the Merrickville, Ontario, area where a new and extremely dangerous race of stem rust had been found.

For the next three years survey crews will comb Ontario and Quebec, charting stands of barberry. Following on their heels will be trained crews equipped with sprayer trucks and portable sprayers.

While the breeding of rust resistant cereal varieties has been the main line of defence against the disease, new races of rust have been developing and there are virtually no new sources of resistance remaining to plant breeders at the moment.

Illustrative of the problem facing breeders is the fact that 13 new races of stem rust have appeared since 1946. Although not all have become widespread, they pose a continuing threat. Scientists believe that rust spores can drift to all parts of the country.

New virulent races of rust are being produced on barberry faster than resistant varieties can be developed but the eradication campaign will give plant breeders a chance to develop new cereal varieties that will retain their resistance longer.

Up to now, eradication of barberry in Eastern Canada has been attempted only on a local and intermittent scale, although the bush is successfully controlled in Western Canada.

DAIRY PRODUCTION IN ONTARIO

Commercial dairies in Ontario reported higher sales of fluid milk, chocolate dairy drink and cream during March, 1964, than in the same month a year ago, and lower sales of buttermilk. Total fluid milk sales amounted to 56,352,500 quarts as against 55,125,200; chocolate dairy drink 1,629,900 quarts as against 1,557,000; fluid cream 2,104,200 quarts as aganist 1,951,000 and buttermilk 515,400 quarts as against 542,500.

A comparison of cumulative sales for the first three months of the current year with sales for the corresponding period of the preceding year shows total fluid milk sales advanced from 156,457,000 quarts to 164,002,900 chocolate dariy drink from 4,378,900 quarts to 4,878,400; total fluid cream from 5,600,700 quarts to 5,994,900 and buttermilk from 1,433,100 quarts to 1,443,500.

Licensed commercial dairies in this province also bought from farmers a larger volume of milk this season than a year ago. Purchases of standard and special fluid milk in March 1964, amounted to 1,504,112 cwt. at an average plant delivered price of $5.35 per cwt. as compared with 1,457,411 cwt. during March, 1963 at $5.16 per cwt. Purchases of secondary and excess milk amounted to 458,130 cwt. at $2.60 per cwt. as compared with 407,304 cwt. at $2.61. Cumulative purchases for the period from January 1st to March 31st, also showed substantial gains in volume.

The production of creamery butter and cheddar cheese continues to follow the trend of the last several months with the first mentioned commodity up slightly and the latter commodity up substantially. Comparing production during April, 1964, with April 1963, creamery butter production shows a gain of 1.4% amounting to 9,663,000 lbs. as against 9.525,400 and cheddar cheese an increase of 15.6% amounting to 5,144,800 lbs. as against 4,451,900. The wholesale price of these two products was practically unchanged during April from the preceding month.

Manufacturing milk plants continue to turn out an increased volume of processed milk products with the output in April, 1964, up 13.8% at 29,724-000 lbs. as compared with 26,119,000 lbs. during April, 1963. The cumulative production of condensed, evaporated and powdered milk products from January 1st, to April 30th this year now totals 93,225,00 lbs. as against 79,470,000 lbs. in the corresponding period of last year, representing an increase of 17.3%. Individual products showed increases in output of 91.2% for miscellaneous milk products, 26% for evaporated whole milk, 8.5% for powdered skim milk, roller process, 4.0% for miscellaneous whole milk products, 3.5% for buttermilk powder and 2.6% for condensed whole milk, a decrease of 9.0% for condensed skim milk and 7.1% for powdered whole milk.

The quantity of whole milk used in Ontario for the production of creamery butter, cheddar cheese, ice cream, condensed, evaporated and powdered whole milk, and for sales of fluid milk and cream is estimated to be 4.2% higher in March, 1964, than in March, 1963 and 4.4% greater during the first three months of this year than in the same period of 1963.

Hon. W. A. Stewart Addresses Grads At K.A.S.

Hon. W. A. Stewart, Minister of Agriculture for Ontario, addressed 115 graduating students in Agriculture and Home Economics at the Kemptville Agricultural School on June 6th in the School Auditorium. Parents and friends from all parts of Ontario overflowed the available seating space. It was the largest Home Economics graduating class in the history of the School.

Mr. Stewart stated that the family farm institution was first founded in this region and has become today the foundation of agriculture throughout the whole of the Province.

There can be no standing still in agricultural education, either in the teaching calibre or in facilities which must be provided to meet the revolutionary changes which are taking place in all phases of agriculture.

Mr. R. B. Bennett, Assistant Deputy Minister of Agriculture for Ontario (Administration), introduced the Minister.

A. M. Barr, Principal of the K.A.S., presided at the ceremony which honoured students with diplomas as follows:

Agriculture (two years), 41; Home Economics (one year), 34; Home Economics (two years), 26; Advanced Class (Agricultural Mechanics), 14; Total, 115 students.

An Alumni meeting held simultaneously on the campus was addressed by Mrs. Jean Casselman, M.P., Grenville-Dundas.

Scottish Delegate To Visit Hastings County

John Chalmers Duncan, who will be coming to visit the Junior Farmers in Hastings County, is 23 years old. He is a native of Moray, Scotland, where he is a member of the partnership of Messrs. Cyril L. Duncan & Sons. They carry on a mixed farming operation including fat cattle, fat lambs, weaning pigs, seed potatoes, wheat and malting barley.

John has been a member of the Y.F.C. for six years and in addition to holding office in the local club, he was a member of the winning public speaking team in the Highland Area of the Association during last year's competition. In his younger days, he was a keen member of the Boy Scout Movement.

RABIES CASES DOWN IN MARCH, UP SLIGHTLY IN APRIL

The 52 cases of rabies diagnosed in Ontario in March showed a drop of 33 from February. Positive cases were reported in 22 counties. Of the confirmed cases, 44% occurred in the Kemptville Forest District; 17% in the Lake Huron Forest District; the same percent in the Lake Simcoe District; 11% in the Lindsay District; 4% in the Pembroke District and 2% in the Tweed Forest District.

Wildlife accounted for 65% of the March total with the disease being diagnosed in 30 foxes and four skunks.

There was a slight increase in April, 60 rabies cases being reported, 45% of the confirmed cases being in wild life — 15 in foxes and 12 in skunks. Twenty-six counties and one territorial district reported cases.

The April distribution of rabies cases according to Forest Districts was: 31% in Lake Huron; 28% in Kemptville; 13% in Lindsay; 11% in Lake Simcoe; 5% in Lake Erie; 3% in Tweed; 3% in Pembroke; 3% in Sudbury.

CONSERVATION NEWS

CONSERVATION EDUCATION FOR THE YOUNG FRY

Mr. Everett Ferguson, officer in charge of the Division Office of the Department of Lands and Forests at Napanee, reports on a children's Fish Derby sponsored by the local Rod and Gun Club over the past week-end.

Over 100 young people were guided in boats by club members who also supplied hot dogs and chocolate milk to pacify ravenous appetites. Prizes were donated by the club for the lucky ones.

The outing was aimed not only at determining who was the best fisherman, but also at providing an educational programme to teach the young people how to become true sportsmen and good conservationists.

This sort of project, says Mr. Ferguson, is one of the best ways to educate and impress junior citizens of the importance of their heritage and makes for a better world to live in.

NOTCHES ON THE SPEAR

During the pickerel spawning run, a young man was apprehended for spearing fish by Conservation Officers from the Napanee Division of the Department of Lands and Forests. On the long wooden handle were nine notches carved on it to signify the number of pickerel he had already speared.

Outlaws in the past carved such notches on their guns, but who would imagine that any one in this day and age would be so proud as to advertise the wilful destruction of our natural resources.

NATURE NOTES

A pair of Whistling Swans were observed by Gordon Fraser, Radio Operator with the Department of Lands and Forests here in Tweed, and by his family as the birds rested in Stoco Lake over the week-end. These large white birds have likely travelled from their winter home in Virginia or North Carolina and are enroute to their breeding grounds, which could be anywhere from the North-west shore of Hudson Bay to Alaska.

Swans pair for life, and once mated, never separate. The young, usually 4 or 5, remain with the adults the first year and these little family groups are only parted by the death of their members.

CANADIAN HORSES SHIPPED TO FRANCE

Three hundred and thirty horses sailed from Montreal recently aboard a freighter bound for Le Havre, France.

The animals, acquired in Quebec and Eastern Ontario by an exporting firm, were destined for a slaughter plant, in Paris, France.

Prior to leaving Montreal the animals were tested and certified healthy by federal veterinarians.

Accompanying the shipment was Dr. R. Toupin, Canada Department of Agriculture veterinarian at Lachute, Quebec.

Federal premiums on high quality cheese amount to more than $900,000 annually.

Legion Notes

(Continued From Page One)

September or early October.

All comrades are again reminded of the special series of work parties being held at the Legion Hall through the next few weeks. Unless otherwise notified, they will be held every Wednesday evening commencing at 7.00 p.m. We sincerely hope that many branch members will be on hand to assist in the installation of a new ceiling.

Elsewhere in this issue is an advertisement concerning a special musical event being sponsored by the Legion. The Branch intends to turn over all proceeds to the Stirling District Memorial Arena Fund. It is expected that several members of the Branch will have tickets for sale in the very near future. Additional details will be published in the News-Argus next week.

With only a few short months remaining before the start of another hockey season, the Legion is pleased to support the newly-formed Arena Committee as it seeks to obtain better arena conditions. The Legion will support this project in every possible manner, and we sincerely urge all citizens of the area to do likewise. When you help to keep a child on ice, you help to keep him out of hot water.

Truth and unvarnished frankness are not aways the same things.

Driver Injured In Crack-Up Near Hoard's Station

A one-car accident sent William Ryan, of R.R. 1, Harold, to Campbellford Memorial Hospital with undetermined injuries on Saturday afternoon.

The accident occurred at Hoard's Station on the black-topped county road between Campbellford and Stirling. Apparently the driver failed to negotiate a curve after crossing the railway track at the twist in the road at that point.

It appeared the car had skidded along the ditch, knocked down a stop sign and Bell Telephone cable marker pole. Mr. Ryan was thrown from the vehicle.

He sustained scalp lacerations and injuries to his back and head, and perhaps, undetermined injuries as well. O.P.P. Constable Robert Diamond, of Campbellford detachment investigated. —Campbellford Herald.

Spring Brook U.C. Women

The regular monthly meeting of Spring Brook United Church Women was held at the Church on Thursday afternoon with 27 members and several visitors from Stanwood U.C.W. in attendance.

The President, Mrs. Murney Mason, presided for the afternoon and extended a welcome to all. Mrs. Carman Sine was pianist. The devotional period was conducted by Mrs. George Williams, Mrs. Percy Smith and Mrs. Murney Bateman, using as their theme "Agents of Hope."

Mrs. Percy Smith explained in the second part of the Covenant we are attempting to relate the Covenant to our every day life. We are called into Covenant with God and with one another through the Church. When Jeremiah looked forward to a new Covenant based on love rather than law, anticipating something that was not realized until Jesus Christ brought the New Testament.

A film strip on the Covenant was shown with commentary by Mrs. Geo. Williams. This was followed by a question and answer period.

Thank you letters were read for donations sent to Merryvale School at Campbellford and a bale sent to the Fred Victor Mission.

It was decided to send a donation to Quin-Mo-Lac Camp and to buy material for a bale for overseas relief.

A solo was contributed by Mrs. Carman Sine. Mrs. Joe Thompson gave a reading. The meeting closed with prayer by Mrs. Murney Bateman.

The hostess group served refreshments.

S. MacDonald, Agric. Representative Honoured Prior To Departure

Presentation of a T.V. Set from County Organizations — Programme and Dance

An event of much interest to the residents of Stirling and Hastings County, took place in Stirling Community Building on Friday last, when Sidney MacDonald, Agricultural Representative of the County for the past six and one half years, was accorded a farewell prior to his transfer to Huntsville, Ont.

The local theatre was well filled with representatives from all parts of the County for a programme presented under the chairmanship of Griffin Ketcheson, President of the County Federation of Agriculture.

Following the National Anthem, Bruce Swan, of Corbyville, favoured with two accordion solos, after which Mrs. Percy MacMullen, Stirling, gave two readings, "Mr. Barrymore's Lecture on Wives" and "Why Worry?"

Connie Donohoe and Douglas Faulkner, accompanied by Mrs. Carl Pitman, delighted the audience with two tap dance numbers and Miss Donalda Heath rendered the solo "My Best To You," accompanied by Mrs. Wm. Heath. A piano solo by Mrs. Douglas Farrell, of Moira, was followed by a round of community singing let by Grant Richardson, with Mrs. Robert Burkitt at the piano.

Tribute Paid

Mr. Roger Thompson, Junior Extension Fieldman, brought greetings for the Ontario Department of Agriculture and paid tribute to Mr. MacDonald's work among the junior farmers of the County.

Mr. Ralph Banbury, Agricultural Representative of neighboring Northumberland County, also spoke in the highest terms of Mr. MacDonald. While most phases of his agricultural activities were mentioned particular emphasis was stressed on his assistance and guidance to the rural youth.

Presentations

Mr. Harleigh Hamilton, former Hastings County Warden, read an appropriate address and Mr. MacDonald was presented with a T.V. by Kalvin Sharp and Kenneth McConnell, 4-H Club members, on behalf of the various farm organizations. Mrs. MacDonald received a sheaf of red roses from Mrs. Ronald Hamilton, President of the County Junior Farmers, while their two small sons were presented with toy trucks in carrying cases by Allan Thompson.

In his response Mr. MacDonald voiced his appreciation to all those who had co-operated with him through the years and stated both he and Mrs. MacDonald would always retain happy memories of their sojourn in Hastings County.

Presentation To Home Economist

The County Women's Institutes took advantage of the occasion to make a presentation to home economist Miss Elizabeth Spouse, who is leaving the service at the end of June to take a teaching position in Montreal. Miss Spouse received a corsage of pink rosebuds from Miss Carol Foley, a 4-H Homemaking Club member, and a handsome combination desk clock and calendar and also a travelling clock from Mrs. Gerald Harrington, District President of Hastings West. W.I.

At the conclusion of the program refreshments were served by the Junior Farmers in the Community Hall, after which dancing was enjoyed to music provided by Mr. and Mrs. Ronald Johnston, Madoc, and Maurice Bell, Stirling. Gordon Mitts, of Stirling, was caller for square dancing.

Stirling Horticultural Society Sponsors "Festival of Flowers"

The Stirling Horticultural Society held their annual "Festival of Flowers" in St. Paul's United Church Sunday School Rooms on Thursday last, June 11th from 3 to 5 in the afternoon and 7.30 in the evening. Tea was served in the afternoon from 4 to 5 p.m. by Mrs. H. Waite and Mrs. H. West.

Slides Shown

In the evening some wonderful slides were shown by Mr. W. Wilkins, of Trenton. These included the tulips at Ottawa, the fall colours and some wonderful close-ups of various flowers, even to the very eye of the petunia. The soft music played while the slides were being shown, added greatly to the enjoyment of the programme.

Mrs. Leavesley, of Loughborough, England, was the judge this year. She attended again in the evening and said she had enjoyed every minute. Our thanks to you Mrs. Leavesly and the Horticultural Society enjoyed having you.

Margaret Morrow Bride-To-Be Honoured at Shower

Mrs. J. R. Donohoe and daughters, Misses Jean and Judy Donohoe, River Valley, entertained about twenty-five ladies on Saturday evening, June 13th in honour of Miss Margaret Morrow, a June bride-to-be.

The home was decorated with pink and white crepe streamers bells and bouquests of orange blossoms and coloured balloons. The hostess presented Margaret, her mother, Mrs. Glenn Morrow, and grandmother, Mrs. Earl Morrow, with corsages.

The group enjoyed a few games of bingo with suitable prizes and a mystery bag contest. Selections were read by Mrs. Ernest Carr and Miss Maria Heasman.

Miss Jean Donohoe read an appreciative address and Margaret was the recipient of a large assortment of miscellaneous gifts which were unwrapped and displayed, after which she voiced grateful thanks for the party in her honour and the gifts.

Dainty refreshments were served by the hostess and her daughters, assisted by Mrs. J. L. Donohoe and Miss M. Heasman.

Pupils To Take Ride on Excursion

Pupils of Grades 3, 4, 5 and 6 at Stirling Public School plan taking a train ride on Tuesday next, June 23rd, when they will be passengers on the special excursion pulled by a steam locomotive from Belleville to Anson. For many of the children this will possibly be their first train ride and they are looking forward to it with keen anticipation. The excursion is being held by the Canadian National to mark the lifting of the tracks which have been in place on one of Belleville's main streets for nearly a century.

Stirling-Rawdon High School Staff Honours Members

Mr. and Mrs. William McKeown were host and hostess for an outdoor supper attended by the teaching staff, wives, husbands, and friends on Saturday night, June 6th. It was a lovely summer's evening, and the McKeown cottage on Moira Lake provided an ideal setting. Barbeques had been set up and the expert cooks, Sidney Allcorn and George Morgan, soon had the meat course ready. Mr. Allcorn, Mr. Morgan and Mrs. Francis Lyons were the committee in charge of all the planning.

Water-skiing was enjoyed before the supper, and various boat excursions were made by those who were not familiar with Moira Lake's miles of lovely shoreline.

During the evening, Wendell Camm read an address of appreciation to the members of the staff not returning to the local school in Septembebr. These include John L. Good, the retiring principal; John W. Bakker, the vice-principal, who has become the head of the science department at the Winona District High School; Gerald Thomas who is returning to his home in Wales; and Douglas Harris whose work as a capable commercial and boys' physical education teacher, will be continued in Kincardine District High School next fall.

A special feature of the evening was the presentation to Mr. Good, by William Farmer, on behalf of all the staff, of a desk set, the base of which he had made from the wood from the stairway of King George High School. This base was an example of Mr. Farmer's skill with inlay, and will be treasured by Mr. Good with its association with the old high school in which he worked so long.

All the staff members who were leaving gave appropriate speeches of farewell, and Mr. Good expressed the group's thanks to the McKeown's for their hospitality.

Intermediates Defeat Madoc With Hunter On the Mound

With Bob Hunter on the mound for the first time this season, Stirling Intermediates defeated Madoc 5-0 on the latter's home diamond Saturday night.

Hunter, who allowed only two hits, gave up one walk and had eleven strikeouts. He hit one batsman, and singled home one run in the 8th inning. Shaw was on the mound for the losers, and held the locals scoreless with the exception of the first and 8th innings.

Stirling opened the scoring in the first inning when they counted three runs on singles by Smith, Neal and Hagerman and a double by Donohoe. They added two in the eighth on a single by Noble, a triple by Bob Neal and a single by Hunter. Madoc went out in order until the fourth when they threatened but Hunter struck out Harris to end the inning with the bases loaded. They got a man as far as third in the sixth inning but Hunter threw third strikes by Elliott and Hagerman to end the threat. During the remainder of the game they went out in order.

Lineups

Madoc — Bateman, cf; Whiteman, ss; Elliott, 2b; Hagerman, 3b; Shaw, p; Harris, rf; Blackburn, 1b; Griffin, lf; Atkinson, c.

STIRLING — R. Smith, 3b; John Noble, ss; Donohoe, 2b; Neal, c; Hunter, p; Glen Hagerman, 1b; Foshay, cf; McConnell,rf; Rollins, lf.

Scout Paper Drive

Stirling Boy Scouts will hold a waste paper drive on Saturday next, June 20th. Citizens are asked to put the paper in cartons or tie in bundles and place on verandah or curb for collection.

The sale of paper is a main source of revenue for the boys and the co-operation of all citizens will be greatly appreciated.

Local Salesmen Win Awards

Congratulations are in order for Messrs. Craig Watson and Gerry Johnston, salesmen at Stirling Motors (Stirling) Limited, who have received "Sales Leader Recognition Awards" for the year 1963. This award is given by General Motors of Canada Limited for high sales volume and achievement and the local men were the only salesmen in the area to qualify.

The presentation of two and three-year gold pins to Messrs. Watson and Johnston, respectively, took place at Stirling Motors Ltd. on Monday by Bill Patterson, District Manager.

Pupils Visit Toronto

Pupils of Grades 7 and 8 of the local Public School left by bus at 6.30 a.m. today (Thursday) on a tour of points of interest in Toronto. They were accompanied by four teachers, Principal Marvyn Scott, Mrs. G. Heath and Messrs. Gerald Danford and Edmund Fleming. Included in their itinerary were visits to the International Airport at Malton, the Ontario Museum, Fort York and Riverdale Zoo.

Renovation Plans Stirling Arena

Met Monday — Committees Hard at Work on Specific Plan and Estimates

The actual planning for the expansion and complete renovation of the arena has now begun. The subject was thoroughly discussed at an Arena Committee meeting last Monday. General principles of planning were discussed and tentatively agreed upon. With a basic plan before them, the Arena Building Committee will now get to work on developing a much more specific plan and estimates of cost.

At present, the basic plan is to include the development of four new dressing rooms and a much larger and more comfortable canteen area. New washroom facilities are also planned along with a number of other changes. It is also expected to include plans for a new building to house artificial ice machinery. Planning is being carried out in such a way as to allow for a three or four lane curling arena in the future. It is expected that most of the above planning will be completed before the next meeting of the committee to be held on Monday, June 29th at 8.15 p.m. in the local Council Chambers.

Artificial Ice Great Boost For Minor Hockey

The proposed improvements to our arena will mean a great deal to all minor hockey teams in the district. In past years, when mild weather forced local teams to seek artificial ice in other centres, a great deal of money was spent for this service. With artifical ice in our own arena, this money will at least remain in town and it will go a long way in assisting the successful operation of the arena.

Last season, our Juvenile team had to take their last three games to artificial ice out-of-town. In addition, the Midget team also had one game on artificial ice. These four games alone cost the local Minor Hockey Association the sum of $488.00. Had this income come to our local arena, it would have gone a long way towards paying the operational costs of artificial ice for two months.

One should also consider the additional money paid out for ice rental in league games. It is estimated that in an average year, the local Minor Hockey Association would contribute between $700.00 and $800.00 a year

J. L. Good, Retiring High School Principal, Honoured at Social Events

Some forty years ago, John L. Good felt himself lucky in accompanying the Queen's University Hockey Team to New York City for games in Madison Square Gardens. The occasion was the annual Christmas Tournament with American universities. As a spare goalie, Mr. Good had the good fortune to be in action for a part of the tournament. Now, after spending over thirty-five years in the teaching profession, he looks forward to a return visit to New York, but under quite different circumstances. His associates (the District High School Board, the teaching staff, the clerical staff, and the janitorial staff) at the Stirling-Rawdon District High School, from which he is retiring after twenty-eight years as Principal, have presented him with "reservations for two" for a four-days-and-three-nights holiday in New York during this year's World's Fair. If the Yankees perform as usual in a satisfactory fashion, Mr. Good may have a chance to fulfill a dream he has long cherished of attending a World Series Ball Game.

Thirty-nine guests were present on Saturday night, June 13th, for a dinner honouring Mr. Good in the banquet room at Blue's Hotel in Madoc. A beautiful floral centre-piece, graciously loaned for the occasion by Mrs. Frank Harding, focused attention on the head table. Those at the head table included Mr. and Mrs. Good, Mr. Ray Mallory (Chairman of the District High School Board), Mr. Don W. Rodgers, Mrs. Gordon W. Bailey, Mr. Wm. Farmer (who formed along with Mr. Harry Morrow the committee of four to plan the occasion), Mrs. Francis Lyons and Mrs. Wm. McKeown.

Mrs. Gordon W. Bailey presided as chairman and called upon Don Rodgers to say the Grace. The playing of the National Anthem by Wendell Camm followed the toast to the Queen. Mrs. Wm. McKeown made the presentation of an attractive corsage of pink roses and white, feathered carnations to Mrs. Good.

The delicious dinner was the occasion of much enjoyment. The chairman maintained the spirit of happy fellowship by reading her chairman's remarks in verse form. Mrs. Bailey had composed a series of couplets in which the weaknesses (lesser ones!) or significant traits of the Board members and the Board's employees were amusingly (and truthfully!) recorded. The scroll on which the couplets were recorded was presented to Mr. Good in the midst of a round of applause in honour of their composer's ingenuity.

Everyone was called to more serious thoughts as Ray Mallory capably expressed the feelings and thoughts of those present in his remarks to Mr. and Mrs. Good. Mr. Good's early life in the rural district at Kenmore was briefly described. Forty-two years ago he attended the Ottawa Normal School and had the former Isobel Roberts, of Lanark (and also William Farmer, of Perth) as classmates. After Mr. Good turned to high school teaching some ten years later, with a B.A. from Queen's University and a high school teacher's certificate from the Ontario College of Education in his possession, he took Mrs. Good as a bride to Wiarton. Three years later they took up residence in Stirling, where they now live in their beautiful home on Annis Street. The speaker spoke appreciatively of the contribution the Goods, singly or as a couple, have made in communtiy life through the years. Mention was made of Mr. Good's positions in the Masonic Lodge, the Rotary Club, and the Library Board. For many years he was superintendent of the Sunday School at St. Paul's United Church and also served on the Church Boards. The important influence of Mr. Good in the lives of the students who have attended the local high school for a quarter of a century was mentioned by the speaker with appropriate emphasis.

After Mr. Mallory's remarks, Mrs. Francis Lyons had the honour of making the presentation to Mr. Good of the Board and Staff's gift. Mr. Good was completely surprised by the expression of the esteem in which he is held.

The Staff's expression of the high regard in which it holds its retiring Principal was given by William Farmer. His reminiscences as a friend of so many years' standing of both Mr. and Mrs. Good made his remarks a personal tribute as well.

Mr. Good then addressed the group with words of thanks to everyone for the kindness shown in arranging the occasion, with a tribute to all those public-spirited citizens who have cooperated so faithfully in supporting the work of the high school, with an expression of gratitude to Mrs. Good for her unfailing support throughout the years, and with a sincere hope that in the future Stirling will continue to maintain the principles and standards that in the long run give the "good life" for all citizens.

Gordon W. Bailey was the projectionist for two educational and entertaining films — the impact of modern living upon a primitive group of Maoris in the South Pacific and the work of those interested in the conservation of ducks and other birds on our own continent. These brought a very memorable evening to a close, and, as it was in a way the end of an era, there was a feeling of sadness noticeable.

New Foyer For Trenton Hospital

George Williamson, Secretary of the Trenton Memorial Hospital's Board of Directors, said Friday that plans for an addition to the foyer of the hospital has been accepted by the board.

The two-storey enlargement to the front of the hospital will serve to enlarge the waiting room for relatives and friends of the patients and to provide an upstairs sunroom for patients who are able to leave their beds during convalescence.

Mount Pleasant Rawdon Messengers

Approximately thirty children attended the Messenger meeting Sunday morning at Mt. Pleasant Church Hall.

The leaders, Mrs. Raymond McConnell and Mrs. Clarence Scott, outlined the two study chapters on India to the junior and primary groups. Plans were completed for the special Messengers meeting at the Church Hall on Wednesday afternoon, July 8th when the children will provide the program and the United Church Women the refreshments.

Bonnie Williams was pianist and Jim Scott outlined the theme based on "Doing God's Will." Carolyn Merrick gave the call to worship and Nancy Johnson read verses from chapter six of St. Luke. The leaders gave the meditation and prayer. David Jeffs and Rodney Graff gathered the offering which was dedicated with a hymn. Gordon Hoard gave his report.

The programme consisted of piano selections by Janet Spencer and Carolyn Merrick. Appropriate articles were read by Joyce Jeffs, Bonnie Williams and Lorraine Jeffs. Various accordion solos were contributed by Kenneth Couch.

50th Anniversary St. Mark's W.A.

A sunny warm day was quite in order and most acceptable for the celebration of the fiftieth anniversary of St. Mark's Woman's Auxilliary to the Missionary Society of the Anglican Church of Canada, Bonarlaw.

Evensong and Thanksgiving Prayers were conducted by Rev. Robert Stewart and an address by His Grace Bishop Evans, was enjoyed by about seventy guests from most of the neighbouring Anglican parishes, as far south as Belleville and Trenton. A very appropriate solo was rendered by Mrs. B. Woodbeck with Mrs. Neal at the organ.

Gifts Dedicated

Before the close of the service, Bishop Evans dedicated an electric organ, the gift of St. Mark's W.A. to the Church. A lectern, the gift of Mr. and Mrs. Burton Woodbeck, to the Church in memory of Mrs. Woodbeck's mother and father, Bertha and Jason Baker, was also dedicated.

Flowers at the altar included a basket in memory of the late Mrs. John Eastwood, a charter member by two granddaughters, of Whitby, and a basket in memory of the deceased members by the Bonarlaw W.A.

Following this most beautiful service the guests were entertained at an afternoon tea in the Sunday School rooms in the basement. Mrs. W. J. Barlow, President, graciously welcomed the guests and read several letters of greetings. A minute's silence was observed for the departed members.

A paper was given by one of the two remaining charter members, Mrs. Brown. The other charter member was also present, Mrs. Wm. Beatty, of Grafton. Greetings from the Deanery were given by Mrs. Geo. Noble, of Stirling. Mrs. Jackson, Diocesan President, brought greetings from the Diocesan Board, Kingston. She also spoke briefly on her recent trip to the Girls and Little Helpers' Dominion Annual held at Winnipeg.

Mrs. Wellman read poem composed by herself on the Anniversary. Mrs. Woodbebck favoured with another solo, "My Task."

A delicious lunch was served by the St. Mark's ladies. Mrs. Heath and Mrs. Brown poured tea. Mrs. Wellman cut the cake which was made in the form of the Woman's Auxiliary Cross.

Thus ended an afternoon which will long be remembered. The members are most pleased with all the co-operation received.

St. Paul's U.C.W. Unit Four

A splendid attendance marked the last meeting of Unit Four of St. Paul's United Church Women before vacation time, with Mrs. H. Wells presiding.

The afternoon's programme opened with a short appropriate message and prayer. Mrs. Wells then asked for reports from Departmental Secretaries. The minutes were read by Mrs. E. Warren and the Treasurer, Mrs. J. B. Hough, reminded the ladies to not neglect their July and August envelope contributions.

Mrs. M. Ayrhart, Supply Secretary, told of the bales of splendid clothing shipped to Toronto the last week of May.

Many cards to shut-ins and bereaved had been sent and a letter from Mrs. Packman was read acknowledging the kind expressions of sympathy received since her recent bereavement.

Unit Four will be asked to be in charge of the booth for home cooking, farm products at the fall bazaar.

A special project will be a tea and bake sale in September.

Devotional

Mrs. Elwood Johnson presided, taking as her theme, "Patience and Hope." The lesson, Mark 2: 14-20 and Romans 5: 1-5 was read by Mrs. Hough. Comment on same was given by Mrs. H. David with closing prayer by Mrs. J. B. Thompson. Mrs. H. Philp and Mrs. H. West favoured with a duet, "Whispering Hope."

Study on India

The study on India was capably handled by Mrs. V. Richardson. A letter was read from Miss Muriel Stephenson, an evangelistic missionary at Ratlam, Central India. On her last furlough Muriel visited the local Women's Organization (W.M.S.) and was the Missionary for special prayer. Her second furlough is soon due. Mrs. C. Macklin presented a short message on Christian Stewardship and Recruiting.

At the close of the meeting afternoon tea was much enjoyed. Mrs. G. Carlisle expressed appreciation on behalf of the group for the spendid programme and social half hour.

Native of Rawdon Mrs. J. Faulkner 101 Years Old

Mrs. Jennie Faulkner, of Hastings County Home, observed the 101st anniversary of her birthday on Monday. A small birthday party was held Monday afternoon and was attended by her daughter, Mrs. D. B. Taylor, of London.

Included in the congratulatory messages received were those from Her Majesty Queen Elizabeth and Prime Minister Lester B. Pearson.

Daughter of the late Mr. and Mrs. George Conley, Mrs. Faulkner was born in Rawdon Township, the youngest of nine children. She attended Albert College about 1880 and later married George Sylvester Faulkner and has lived at Peterborough, Toronto, Winnipeg and Vancouver.

She returned to live in the Stirling area in 1951 and has been at the Hastings County Home since 1955.

Confined to her bed and wheel chair since fracturing her hip two years ago, Mrs. Faulkner is nevertheless still bright and cheerful.

High School Year Book Available

Students of the local High School will be pleased to know that the much-awaited yearbook, "Vox Lycei, 1964," is ready for distribution. Copies ordered by the students in November will be available at the school when students return for their report cards on Wednesday, June 24th.

Work on the preparation of this year's "Vox Lycie" began in September, and the Yearbook staff worked diligently until the last mats were ready in late March. The cover is white and the cover design, created by Don Armstrong, a Grade 12 student, is attractively executed in black and red. David Gliddon, of Grade 13, was editor-in-chief, and his loyal staff was made up largely of students of Grades 11, 12 and 13.

When worried about a place to park, think of Noah, he finally made a happy landing.

Rylstone

Congratulations to Rev. Harold Pillen, minister of Rylstone United Church, who was ordained to the ministry of the United Church of Canada at the Ordination Service on Wednesday of last week.

Richie Meiklejohn and Jack were dinner guests of his sister, Mrs. Stella Gibson in Campbellford on Wednesday. Their sister Blanche (Mrs. Fred Elliott) and her husband were also guests.

Mrs. Jack Spencer and Mrs. Bob Spencer attended the rummage sale put on by the Farmers' Union at Spring Brook on Thursday night.

Mrs. Jim Radcliffe entertained several friends and neighbours at a brush party at her home on Thursday night.

Mrs. Bob Runnalls, her little daughter, Mary Ellen, of Harold, and her mother, Mrs. Dick Morton, were dinner guests of Mr. and Mrs. Roy Barton on Tuesday of last week.

Agnes McKeown, nurse in training at Belleville General Hospital, spent the week-end at the home of her parents, Mr. and Mrs. Thos. McKeown.

Lois Morton, Wellman's Corners, was a supper guest of Carol Heath and her parents on Saturday.

Mrs. Wally Jackson, Allison, Valerie and Wally Jr., of Oshawa, spent last week with her parents, returning home with her husband on Sunday.

Marilyn Stewart was a supper and overnight guest of her friend, Nancy Finkle in Stirling on Friday night.

Mr. and Mrs. Percy Reid and Anne motored to Toronto on Saturday. Anne remained in the city where she has accepted a position for the summer with the Department of Education. While in Toronto "Perc and Doreen" called on Roy Petherick who is awaiting surgery in Toronto General Hospital.

All the High School students of the district with the exception of the Grade XIII students, are breathing easier now that exams are over. We hope they all have good news later.

Mr. and Mrs. Fred Petherick, Mrs. Wally Jackson and children and Mrs. Minnie Morton were supper guests on Saturday with Mr. and Mrs. Roly Jackson and family, when little Michael Jackson celebrated his first birthday.

Mr. and Mrs. Jack Spencer and boys enjoyed a picnic supper with her parents, Mr. and Mrs. Harper Bateman, Spring Brook, and her sister, Mrs. Sammy McIlwaine, her husband and stevie, of Toronto, at a park near Frankford on Sunday.

Mr. E. G. Lounsbury, of Hastings; Casey Van Haydonk and Mr. and Mrs. Gary Lounsbury, Peterborough, were Sunday afternoon callers with Mr. and Mrs. Wilfred Spencer and Sherry.

Born — To Mr. and Mrs. Wesley Finch, at Belleville Hospital on Saturday, June 14th, a son. Congratulations.

Mr. and Mrs. Ted Grills and family, English Line, were Sunday guests of her parents, Mr. and Mrs. Fred Petherick, the Jacksons and Mrs. Minnie Morton.

At the morning service on Sunday at Rylstone United Church the Rev. Harold D. Pillen conducted the service of baptism when Norma Dianne, infant daughter of Mr. and Mrs. Laurence Meiklejohn, was christened.

Mrs. Joe Scott and son, Gordon, Mr. and Mrs. Gordon Macfarlane, Joanne and Doris, of Marmora, and Bob Hagerman, of Eldorado, were Sunday dinner guests of Mr. and Mrs. Laurence Meiklejohn and family and Mrs. Chester Meiklejohn and attended the christening of Norma Dianne Meiklejohn at Rylstone United Church.

The pupils at the 9th Line School their teacher, Mrs. Don Wood, and some of the pupils' mothers, enjoyed a bus trip to Ottawa on Monday. Those taking the trip were Mrs. Bob Spencer, Mrs. Don Stewart, Mrs. Bob Barnes, Spring Brook; Mrs. Glen Morton Mrs. Roy Shortt and Marian, Mrs. Murray Heath, Mrs. Wood and the pupils. Some of the places they saw or visited were the Parliament Buildings, Trans-Canada Airlines at Rockcliffe, R.C.M.P. Barracks and Stables, home of Premier L. B. Pierson and the Dominion Experimental Farm.

A very pretty wedding took place on the lawn of Mrs. Cora Reid's home on Saturday when her daughter, Cora Martha, was united in marriage to Basil R. R. Lott, of West Huntingdon. Mr. Simon Brownson, Bancroft, performed the ceremony. Our good wishes go with Cora and her husband on their marital journey.

Mr. and Mrs. Ellis Jones visited his mother and sister, Mrs. G. W. Jones and Mrs. Thelma Tulloch in Stirling on Sunday afternoon.

RIVER VALLEY WOMEN'S INSTITUTE

The Federated Women's Institutes of Canada are providing training in homecraft and mother craft in "the land of the Midday Moon," North West Territories. A qualified field worker is essential. In this vast country stretching over a million square miles there are only 30,000 people — Eskimos, Indians, Metis and whites. The purchase of UNESCO coupons will assist this worthy cause.

Bonarlaw

Mrs. W. Beatty, of Grafton, visited Mrs. E. Heath and attended the 50th anniversary at Bonarlaw on Tuesday.

Mrs. Dave Wellman returned home from Toronto, having spent some time with Mr. and Mrs. Henderson.

Mrs. Geo. Eastwood and Mrs. C. Redman, of Whitby, attended the 50th W.A. Anniversary.

Friends were sorry to hear that Mr. Hugh Jones is a patient in Belleville General Hospital.

Mrs. G. Campney, Toronto, and Mr. and Mrs. Henry, Hamilton, spent the week-end at their summer home at Bonarlaw.

Miss Doreen Broadworth, student nurse at Belleville General Hospital, spent a week at her home here.

Miss Wenda Neal, Kingston, spent the week with her parents.

COTTAGE CHEESE CHATTER

Once thought to be of humble origin, cottage cheese has achieved a distinctive place in our Canadian diet. This soft, uncured cheese with its mild, slightly acid flavour is an excellent food for every member of the family from baby to grandpa. Made from milk, it provides a concentrated source of high quality protein, calcium, phosphorus and riboflavin. Its easy digestibility, high nutritive value and low calorie content make it a wise choice for weight watchers and nutrition-conscious homemakers alike.

The processing of commercial cottage cheese in Canada is regulated under the Food and Drugs Act. The regulations control the ingredients to be used, the moisture and fat content, pasteurization, and bacterial count. Cottage cheese is a term used to include both cottage cheese curd and creamed cottage cheese. You will notice both varieties in most food stores.

The "dry" cottage cheese is that cheese to which no cream has been added; the "creamed", as its name suggests, is "creamed" in fresh dairy cream. Size of curds and creaminess are based on local market preferences. There are also available flavoured cottage cheese products that contain fruits or vegetables. These are specialty items and tend to cost a few cents more than the unflavoured varieties.

Cottage cheese is usually sold in cartons or plastic containers of 8, 10, 12, and 16 ounces net weight. You can also buy it in bulk from the specialty or delicatessen counters. Since cottage cheese is perishable choose only enough to be used within a week or less. Plan on four ½ cup servings from one pound (16 ounces) of cottage cheese. When you take it home store it immediately in its original container in the coldest part of your refrigerator. It is best not to freeze cottage cheese as the texture changes considerably.

OF MANY THINGS

(By Ambrose Hills)

GET FOOT HEALTHY

Most readers of this column spend money each month to insure aganist hospitalization or medical care; but I wonder how many have ever spent a dime on foot care? How many would like to get out in the summer sun and walk . . . but sit still because their feet hurt?

Two summers ago I picked up an unromantic foot ailment called Planter's Warts. Finally I had to go to a foot specialist . . . and what a wonderful lesson I learned.

In very short order, he had cleared up the ailment; but at the same time, he removed a corn that had plagued me half my life, and he put me into shoes that gave me real comfort, and the whole shebang cost me less than I pay every month for pre-paid medical and hospital care.

Most of us need a Personal Health Plan, completely voluntary, surprisingly inexpensive. To feel the bubbling exuberance of good health is possible to the vast majority for the price of some self-restraint in our eating and drinking, some initiative to get out and walk or exercise, and the good sense to have minor health matters treated promptly . . . as promptly, at least, as you take your car in for a check if there's a noise in the engine that worries you!

It always puzzles me that men and women can work up so much steam over government-sponsored health plans, but have no steam at all for personal health plans. I believe that some must be confused into thinking that governments can provide health for a fee. No one can do that. There is a tremendous lot that each of us can do for ourselves, simply by getting into comfortable shoes and then out in the sun for a romp. Try it.

SENSE OF VALUES

"We must impress on our teenagers the value of a dollar," emphasized the visiting lecturer.

"They already know," sighed the parent. "About two and a half gallons of gasoline."

DONALD C. CURRY

New Bell Telephone Manager Appointed

who has been appointed Bell Telephone manager for Stirling with headquarters in Belleville. He succeeds Mliton Sweeney who has been transferred to the Montreal office. The changes are effective immediately.

In his new position, Mr. Curry will supervise company business activities in Bancroft, Bicroft, Boulter, Brighton, Frankford, Gilmour, Madoc, Marmora, Maynooth, Monteagle Valley, Picton, Stirling, Tweed, Trenton, Wellington and Wooler.

The new manager was born and educated in Ottawa and joined the company in 1953 as a coin collector. In a short time, he was appointed to the commercial department and has gained wide experience in the Smiths Falls, Ottawa and Brockville business offices and the Kingston district office, before accepting his present position.

Mr. Curry is married to the former Denise Robillard, of Ottawa, and has two children, a daughter Christine and a son Gregory.

THURSDAY, JUNE 18th, 1964

Mrs. F. Smith Hostess Eggleton U.C.W.

Mrs. Frank Smith was hostess for the June meeting of Eggleton United Church Women last Thursday afternoon. The President, Mrs. W. Harlow, opened with the call to worship.

Roll call was answered by ten adults. Mrs. Bruce Stapley reported 2 calls on ill and several get well cards sent out. The members were asked to send a card shower to Mrs. J. Craft and her new baby daughter.

Mrs. C. Fitchett read a letter from Moira U.C.W. inviting the members to a tea and bazaar; a letter from Quin-Mo-Lac, Bay of Quinte Conference Camp Corporation, regarding funds; a letter written by Albert Jones, expressing thanks from Mrs. Godden and pupils of the school for the bountiful dinner they enjoyed recently at the church.

Mrs. William McMullen, Treasurer, reported on proceeds of dinner and also of amount on hand.

Mr. Dyson spoke briefly. The President thanked the hostess, programme convener and all assisting on the programme. Mrs. Maurice Clancy, programme convener, then took charge.

The purpose of the U.C.W. was read in unison. Mrs. Clancy based her programme on "The Life of Jesus" and showed several coloured pictures of Palestine. Next she divided all present into groups of two and gave each group a slip of paper with selected Bible verses to find and read. A few minutes of meditation followed. Then one person in each group read their passage of Scripture and the other person gave the commentary prepared on the verses. This part of the programme was completed by Mrs. F. Smith who read the Parable of the Talents. Mrs. Clancy gave a splendid paper which she had prepared on the topic.

The offering was gathered and dedicated with prayer.

Mrs. Murney Kirkey read a poem and Mrs. C. Fitchett read a paper prepared on the Churches in Hong Kong.

A suggestion was made that members should have a certain period for prayer each day, with a prayer list of special ones to be remembered in prayer. Following a hymn Mrs. Bridges gave the closing prayer.

Mrs. Smith served dainty refreshments and all enjoyed a social half hour.

The July meeting is to be held at the church on the regular date.

THE BIBLE TODAY

Finding marked New Testaments a highly effective personal witnessing tool, members of a Church in Idaho mark the pocket-size New Testaments in assembly-line style.

Members designed marking "jigs" and set up 38 of them in series at a long table. The person manning the first jig attaches a gummed label to the inside cover of a Testament, telling readers: "This is a MARKED NEW TESTAMENT to show the way of salvation. Turn to page 313 and read the passage outlined in red. Then see the bottom of page for the next reference, etc."

At the second jig a marker outlines the passage in red and passes the book to No. 3 who attaches to page 313 the label with the next reference. The marking-labeling process continues until the New Testament reaches the end of the line fully marked.

Early last month the jig line had registered its 700th marked Testament. Besides using the books for personal witnessing, church members place them in motel and hotel rooms, hospitals, rest homes, jails, mortuaries, laundromats and doctors' offices.

Those left at motels contain invitations for readers to take the Testaments along if they wish.

Monday — Acts 21: 37; 22: 16
Tuesday — Acts 22: 17-29
Wednesday — Acts 22: 30; 23: 22
Thursday — Acts 23: 23-35
Friday — Acts 24: 1-27
Saturday — Acts 25: 1-27

The Good Driver

Approximately one hundred secondary schools in Ontario offer driving training courses; in each case the courses are optional, and extra-curricular. These life-saving courses are approved and assisted by the Departments of Education and Transport. A number of other agencies — including the automobile insurance industries — help to promote and sustain these courses, which reduce accident expectancy for young drivers by as much as 50 per cent.

The latest offer of help, reported by the Ontario Safety League, comes from Allstate Insurance. The League has a large library of films on safe driving, which are valuable to schools giving driving training courses. Allstate have agreed to pay all rental charges, to encourage even more extensive use of the films in classroom instruction.

4-H Homemaking Club Conference At Guelph

"You, in your world." What does it mean to you? Two hundred 4-H Homemaking Club Girls will discuss this theme in relation to home, school, clubs, community and country at a four day conference beginning on June 23 at the Federated Colleges, Guelph. The purpose of this conference is to assist girls in gaining an appreciation of their opportunities and responsibilities as individuals, members of a family, a club, a community and as Canadian and world citizens. Club girls, representing every county and district in Ontario, will be chosen by their local home economists as members who have completed at least six club projects.

Miss Jean Scott, Supervisor of Junior Extension, Home Economics Service, is in charge of the program. Dr. J. D. MacLachlan, President of the Federated Colleges, Dr. M. S. McCready, Dean of Macdonald Institute, Miss Helen McKercher, Director of Home Economics Service, and several others will speak on different phases of the theme "You, in your world." Miss Ethel Chapman, Editor of Home and Country, will discuss personal and social development with the girls. Club members will participate in group discussions and present club exhibits and demonstrations typical of those displayed at the county Achievement Days. Recreation, and musical interludes provided by Mr. and Mrs. Ralph Kidd, are all part of the fun. A lesson in flower arrangement and a special tour of the horticulture gardens highlight the final day.

4-H Homemaking Club girls will gain valuable training in group cooperation and leadership, develop an improved understanding of their provincial organization and achieve greater personal development to better serve their club, home, community and country.

CONSERVATION NEWS

HUNT CAMPS

As a result of a long term review of existing conditions, involving hunt camps, the Tweed District has been closed to the issuance of any further land use permits for new hunt camp locations.

It is felt that the present camp density, together with the influx of hunters from cottages, private establishments and also the heavy influx of transient hunters precludes the setting up of any further hunt camp establishments on Crown lands.

SUMMER RESORT LANDS

With the early dry spring weather, the cottage minded persons have invaded the district with the result that sales are ahead of last year's total for this time of the year.

Increased interest is being shown in lakes where the municipalities have or are putting access roads into the subdivisions from the main lake access road.

Data with respect to lots presently available may be obtained through the district office of the Department of Lands and Forests.

All mainland frontage must be subdivided before a sale will be considered. Only lakes having a public access road will be sub-divided.

Islands may only be sold as one unit where the acreage is ½ to 3 acres in extent. Islands less than ½ acre are automatically reserved. Islands in excess of 3 acres must be subdivided and treated as mainland before any sale can be carried out.

In that part of the Counties of Hastings, Lennox and Addington, Frontenac and Prince Edward, south of Highway No. 7, there is no Crown land available for cottage development due to the fact that less than 25 percent of the shoreline remains in the Crown. This is automatically withdrawn from disposition and reserved for public use under provisions of the Public Lands Act.

Confirmation at Wellman's U. Church

An event, outstanding to the history of Wellman's United Church, took place on Sunday, June 14th. There was a large attendance with Rev. W. G. Fletcher in the pulpit and Mrs. Craig Watson, acting musician.

The call to worship, singing of the Doxology, invocation and the singing of the hymn, "I Heard the Voice of Jesus Say," were in regular form. The responsive reading was Psalm XXVII, after which Rev. Fletcher read Matthew 4: 17-22, following with prayer. The gathering and dedication of the offering was followed by the hymn, "Jesus Calls Us O'er the Tumult." Rev. Fletcher gave a very appropriate message on the occasion.

The Confirmation service in its regularity followed. There were ten adults admitted to the roll of Wellman's United Church, some by transfer, others confirmed; three of whom were also baptized. This perhaps, would be one of the largest adult groups in many years seeking admission to this church. It is events like this that prove the importance of the smaller churches and one of which Wellman's is very proud to make known to others.

Mr. John Carlisle, Clerk of Session, presented the certificates and extended the hand of fellowship. During the service Mrs. Gerald Russett sang the hymn, "Come Holy Ghost." Following the confirmation the hymn, "Lord and Master of Us All" was sung, after which Rev. Fletcher pronounced the benediction.

Mount Pleasant U.C. Women

The June meeting of Mount Pleasant United Church Women was held Wednesday evening, June 10th at the Church Hall with twenty-nine members and seven visitors in attendance.

The programme conveners were Mrs. Herbert Smith and Mrs. Robert Merrick and the hall was decorated with maple boughs, baskets of peonies and a special worship centre. The lunch conveners were Mrs. Gordon Linn and Mrs. John Morgan.

Mrs. Donald Knight presided over the meeting and Mrs. Garth Joslin officiated at the piano. Mrs. Robert H. Hoard and Mrs. William McAdam gave their reports. Mrs. Raymond McConnell read the correspondence which included several thank you notes for paying Festival fees, providing funds for the Y.P.U. group to attend the course at Queen's University, Kingston, and an invitation to a tea at Carmel. A request for a donation for Quin-Mo-Lac Camp was made and five dollars donated for this work.

Mrs. Gordon Linn reported sending a bale of clothing overseas weighing over two hundred pounds and the necessary cash of ten cents per pound.

Mrs. Kenneth Weaver outlined the new study packets on Brazil and Trinidad and other literature available.

A flag has been donated to the Church Hall and a committee was appointed to decide where it is to be placed.

Programme

Mrs. Joyce Parr, teacher at the Williams Public School, conducted the devotional on the theme, "What the Lord God Hath Made." The hymns, meditation, Bible verses and prayer were all centred on this theme.

Mrs. Will Jeffs and Mrs. Will McAdam sang a duet with Mrs. Kenneth Weaver as accompanist.

Mrs. Grace Morton, teacher at the Allan Public School, outlined the study on the theme, "The Church Comes to India." She stressed that the evangelists try to give meaning to the New Testament by coming close to the living conditions of rural India.

Special maps and serviettes were used and added to the study and the lunch hour on India.

Eight ladies read articles of interest pertaining to India and were Mrs. Ira David, Mrs. W. G. Fletcher, Mrs. John Talsma, Mrs. Percy MacMullen, Mrs. Milford Wrightman, Mrs. Marguerite McMullen, Mrs. Kenneth Weaver and Mrs. Robert H. Hoard. Many items of interest re India outlining the new mission field of Nepal, the agricultural assistance, the Christianizing of head hunters and various items of church work in that country were explained.

Mrs. Morton displayed a hand-made scarf, purse and hand bag which were treasures from India. A contest on that country brought out many items of interest.

After refreshments were served a bake sale was held under the auspices of the May and June group of the United Church Women. The saleladies were Mrs. James Hoard, Mrs. Norman McConnell, Mrs. Ira David and Mrs. Percy MacMullen and almost eighteen dollars was realized. The U.C.W. members had contributed a good selection of homemade pies, tarts, cookies, cake, candy; also fresh eggs, mayonnaise and vegetables.

Power Mowers

The safe use of a power mower requires a lot more care than the old hand mower, the Ontario Safety League reminds householders. Be sure small pieces of metal and other debris are cleared from the lawn before mowing, as they can be hurled by a mower blade with bullet speed, and injure bystanders.

Wear sturdy shoes to protect feet, and cut sideways along slopes rather than up and down. Always turn the motor off before attempting to clear clogged blades, and allow motor to cool before refueling, to avoid a flash fire. Power mower operation is an adult job. Never entrust it to a child, nor allow children near the machine.

Chatterton W.I.

The June meeting of Chatterton Women's Institute was held at the home of Mrs. Don Smith with 18 members and 5 visitors present.

The meeting opened in the usual manner, followed by a sing song and roll call, "name a cereal grain and how it comes to the table," was answered.

The business included discussion of a rummage auction which will be held following the next meeting. The short course offered to the group was decided against. The members were reminded of International Day on June 26th at the school with each member to bring cookies for the children.

Mrs. Harry Reid, Convener for Canadian Industries provided a good programme of readings and a paper prepared by her son, "Progress In A Century of Manufacture." Mr. Reid is employed by a pharmecitical company and gave an outline of progress in the last one hundred years within the company.

In early days they searched for plant and vegetable compounds for extracts to be used in treatment of disease. Today they manufacture drugs to ward off disease as well as cures and controls. Great strides have been taken through research for the treatment of cancer and other horrible diseases and they are currently working on a vaccine to prevent or control hepatitis or yellow jaundice.

Methods of counting pills by hand and bottling of liquid medicine are now done by mechanical means. Attractive, appealing packages are found on drug store shelves, dispensaries and doctors officers.

Products of research, together with improved medical care, public health measures, have and will continue to contribute much to the conquests of disease and suffering.

Several contests were much enjoyed. The Queen was sung, followed by a lovely lunch.

The next meeting will be held at the home of Mrs. David Little on July 8th.

Stirling Women's Institute Meeting

On Wednesday afternoon Mrs. David Luery opened her home to the members of Stirling Women's Institute for their June meeting.

President, Mrs. Frank Smith, opened the meeting in the usual manner. Roll call, "Say something nice about the one next to you," proved most interesting.

Correspondence included a letter from Helen McKercher re Home Economics Service programme; also one from the Consumer's Association. These two were placed on fyle. A letter was also read requesting a donation towards the transfer of Mr. Sid MacDonald. A donation was forwarded by the Treasurer to Mrs. H. Wood.

Mrs. Russell Rupert gave a report of the proceedings of the day's activities at Marsh Hill where the W.I. District Annual was held.

The program consisted of a reading by Mrs. F. Smith entitled, "How Indian and Eskimo women profit from the Women's Institute." The F.W.I.C. President, Mrs. James Haggerty, of Napanee, toured the Mackenzie Institutes for three weeks, learning their ways of living one with another.

Mrs. Rupert gave some practical household hints. A reading, "Dorothy Dix on Matrimony," was given by Mrs. E. Foster. Readings were also given by Mrs. Geo. Mumby on, "Birth of Canada," and by Mrs. Smith on "What Is Life." A contest on the Bible was won by Mrs. Foster's group with a box of candy as a prize. Mrs. William Brunker, Vancouver, brought greetings from her Institute.

A dainty lunch closed with a social time spent together.

Drivers, never change lanes without looking in your rear-view mirror, signalling and glancing over your shoulder to check the "blind spot." "Turn your head before you turn the wheel."

Here's an item from an old medical journal, quoted by the Ontario Safety League. "If the machine (automobile) ever attains the unlikely speed of 80 miles an hour, it will have to drive itself, for the human brain will be incapable of controlling it."

Complete brake failure when driving is rare. But it can happen, especially if "spongy" brakes or other signs of master cylinder trouble are ignored. If it happens, in a standard transmission car, the Ontario Safety League recommends these steps: (1) Apply parking brake; (2) Change into 2nd or low gear; (3) Switch off ignition if there is immediate danger of a collision. With an automatic transmission, apply parking brake and switch to low.

Lifting a heavy load takes more than strength!

It takes "know-how" to lift it so you won't get hurt!

Many strains, slipped discs and sprains have resulted from improper lifting

If you have a heavy load to lift here's how to do it safely...

- .. look it over carefully to decide the best way to grasp it
- .. place your feet close to it
- .. get a good grip on it
- .. bend your knees and keep your back straight
- .. keep the load close to your body
- .. be sure you can see past it

Frankford Defeat Intermediates

Frankford Sunlifers whitewashed the locals by an 8-0 verdict on the former's diamond last (Wednesday) night. Bobby Lott, Frankford's mound ace, limited the Stirling bats to a scant two hits, while fanning seven and walking three. Foshay with a double and Hunter's single were the only safeties for Stirling.

Meanwhile Hunter was nicked for all 8 months while whiffing five and not issuing any walks. He was charged with eleven hits.

Legion Notes

The first Legion work party of the summer season attracted some 25 energetic members to the Legion Hall. With this enthusiastic type of support, the planned alterations to our Legion Hall will be completed in record time. All branch members are asked to turn out every Wednesday evening at 7.00 p.m. for the next few weeks. The only tools required are hammers. Let's have some good support for these work sessions.

The chief item of work is the installation of an acoustic tile ceiling in the main hall. An excellent start has been made on this project. The old ceiling has been completely removed and it is expected that work will progress rapidly on the new ceiling. We will require lots of help during the next two or three weeks to nail the strapping on the joists.

Once the new ceiling has been installed, the remaining work will be concentrated on finishing at least one more interior wall. If time and funds permit, additional interior work may also be undertaken. No final decision has yet been made regarding new lighting fixtures. If anyone knows of any good used neon fixtures which might be purchased at a reduced cost, would they kindly get in touch with Comrades Gil Finkle or Allan Lawes.

The next few months will be busy ones indeed for all Legion members. On Friday, June 26th the Legion is sponsoring a musical event in the Community Hall. All proceeds will be turned over to the Stirling District Memorial Arena Fund. Additional details on this special event can be found elsewhere in this newspaper. Advance tickets may be purchased in the following local stores: Noble's Drugs, Patterson's Men's Wear, McCaughen's and Tanner's Service Station.

Renovation Plans Stirling Arena

(Continued from page one)

income to our arena, perhaps more.

Longer Season

Apart from any financial considerations, artificial ice would mean a considerably longer season in which boys could have more opportunities to practise and develop. Experience in other communities who have artificial ice has proven that it is not necessary to crowd in so many games per week as compared with a short natural ice season. This is an important consideration in view of the heavy scholastic requirements placed on our young people. When good ice is assured regardless of weather conditions, schedules can be worked out to keep mid-week activity to a minimum.

Another fact to be considered when thinking of minor hockey and artificial ice, is the matter of ice rental to other district teams. Just as Stirling has always had to seek outside ice, there will be other district teams wishing to rent local ice for play-off games. It is not unreasonable to estimate that a considerable income from such rentals could be expected for a number of years.

District hockey fans have always been good minor hockey supporters. With good ice assured at all times in our local arena fans will not have to travel the extra miles to give their support to our hockey teams. Plans for arena improvements will include a comfortable canteen area where fans can get warm between periods of a game. This alone will be most welcome news to the many supporters who have shivered through so many games in past years.

Use Facilities For Other Sports

Another point to be considered is the fact that as the arena is improved, its facilities can also be used for other sports and activities for the younger people. Such things as roller skating, box lacrosse, dancing and so forth can be organized in due time. It is hoped that figure skating classes can also be introduced with a competent instructor within a year or two.

In the past, our arena has been operational for perhaps three months at the very best. With the planned improvements, this period of service can be easily doubled, and in time, the arena can become a year-round centre for the recreational needs of the young people of the entire district.

When we come to consider the ambitious plans being made for our arena, everyone should keep in mind that while present plans are concentrated on improving ice conditions, the long-range plan will be to create a centre which will serve the recreational needs of the district every day of the year.

At present, it is estimated that the average cost to the taxpayers in enforcing the laws as they apply to our youngsters is approximately $150.00 per year — every year. All or most of this cost is spent after a youngster gets into trouble. Perhaps it would be a wiser investment for all of us as taxpayers to spend a little money to keep a youngster from getting into trouble in the first place. Your support of the arena campaign is an important step in this direction.

Students to Go Elsewhere for Special Commercial and Technical Courses

Members of Board Report On Visit to Dept. of Education — Lengthy Discussion

Any hope for added accommodation at the local High School for special commercial and technical courses have been dissipated by a "thumbs down" attitude of the Ontario Department of Education. Students wishing to take advantage of these courses will be required to go elsewhere. This information was given members of the Stirling-Rawdon District High School Board at their monthly meeting on Friday night.

Reporting on a meeting with Department officials last week, D. W. Rodgers stated he and Chairman R. Mallory had been accompanied by a delegation from the Quinte District High School Board, who sat in on the discussion. Plans are on the board for a new school in Belleville or vicinity within the next couple of years and the Quinte District School Board have offered to provide accommodation for students from the local area. Under the proposed scheme the local Board would pay tuition and transportation costs of pupils going to Belleville. "With the depletion of attendance at the local school, through students going elsewhere for special courses, it could well have an effect on the operation of the local institution," stated Mr. Rodgers. He was supported in this contention by Chairman Mallory, who felt the local Board should take advantage of the offer of the Belleville Board and advise them accordingly. Dr. R. B. Murray was critical of the Department in giving approval for a $300,000 expenditure for a new school only a few years ago, then refusing to authorize new classrooms now. "I am opposed to the suggestion and will battle it right down to the wire," stated Dr. Murray. Mr. H. Morrow favoured letting things ride for a time until something more definite developed. "There could be a complete change in the plans of the Department in time," stated Mr. Morrow. A lengthy discussion ensued but no definite action was taken.

Correspondence was received from H. C. Martin Insurance Agency, re accident policy on Board members; from Northumberland East High School Board, re payment for Rawdon pupils going to Campbellford High School; Mrs. D. Irish, re Graydon Irish going to Belleville; McLeod Motors, re tractor; and Collegiate Institute Board, Ottawa. The correspondence was received and fyled on motion of Rodgers and Johnston.

Repairs Referred To Prop. Com.

Joe Irish, caretaker, reported on needed repairs, and these matters were referred to the Property Committee. Mr. Irish reported the Boiler Inspector's visit on June 20th. He also stated the electrical appliances were being replaced in the Home Economics room.

The matter of purchasing a mower was left in abeyance when it was pointed out that necessary equipment could be procured for use with the local tractor to take care of grass cutting and snow plowing.

Mr. J. W. Bakker, who has been science teacher on the local staff for the past 6 years and is leaving the end of June, expressed his thanks for the co-operation and consideration given him by the Board members during his stay here.

The following accounts were passed for payment:

Books from Students, $318.65; Belleville and District Film Council, $10.00; Oxford University Press, $24.82; W. H. A false alarm was also turned in about 6.30 p.m.

Bowlers Enjoy Pot Luck Supper

A potluck supper followed by a jitney was held at the local Bowling Green on Monday night. Following a delicious meal, two eight-end games were played with prizes going to all the players. A number of new bowlers were on hand.

On Tuesday night of next week, June 30th, another potluck supper and jitney will be held with everyone interested in bowling welcome to attend.

Bowl At Belleville

Miss Rosa Spry and Ted Barnard won second high for one win at the Hyde Memorial Tournament in Belleville Saturday.

Bon Vista Reopens; New Management

Announcement has been made of the reopening of the Bona Vista Resort (on the Trent) under new management. The new owners are Ted Dobson and Frank Powell, the former being a former resident of this district and well known to many. He attended local schools and was a star performer on local Midget and Juvenile hockey teams some years ago. He will be glad to renew acquaintances with his former friends and pals.

Since purchasing Bona Vista the new owners have cleaned and redecorated the entire premises and installed a complete luncheonette, featuring pizza pie, all kinds of pastry, full range of sandwiches, cold drinks, etc.

Good fishing is available on the Trent River and you can rent a boat with motor at a reasonable fee. Bait is also for sale.

For a day's fishing or brief holiday, try the Bona Vista, just five minutes' ride from town.

Stirling Public School Board To Purchase Additional Property

The monthly meeting of Stirling Public School Board was held last night with A. Munro in the chair and Mrs. Robt. Luery, D. R. Williams, R. Jeffs and J. Svoboda in attendance.

Correspondence included a letter from Moyer Co. with reference to some adjustment re the tack boards.

On motion of J. Svoboda and Mrs. R. Luery a salary schedule for the Principal was adopted.

J. Svoboda reported that W. de Jong had been contacted regarding replacing some loose brick.

The question of the painting of the bicycle racks, swings etc., was discussed at length, and left in abeyance for a decision later.

D. R. Williams reported that the deed for the Cranston lot would be completed soon and that the United Church would sell part of the garden plot at the rear of the Manse and adjacent to the school property.

On motion of Ralph Jeffs and John Svoboda the property committee was authorized to purchase the property from the United Church for $200 plus legal fees.

The Secretary-Treasurer was instructed to contact Mr. G. H. Waldrum, Inspector, for approval to erect a fence on the west side of the grounds at an approximate cost of $110.00.

The contract for redecorating the exterior of the school, two classrooms and varnishing the school desks was awarded Maurice Bell at a price of $676.00 on motion of D. R. Williams and Mrs. Luery.

On motion of R. Jeffs and Mrs. R. Luery, Mrs. Craig Watson, Music Supervisor, was given an increase in salary making it $82.00 per month.

The Principal reported the enrolment at 262 with an expected enrolment of 270 in September.

Local Fire Brigade At St. Andrew's

Mr. Thos. Dodds, Minister, Spoke on "Voluntary Call To Duty" — Special Music

Members of the Stirling Volunteer Fire Department, under the leadership of Fire Chief G. C. Mouck, attended divine service in St. Andrew's Presbyterian Church Sunday morning. Fire Chief M. Mason, of the newly-formed Rawdon Township Fire Brigade, accompanied the local Brigade.

Mr. T. Dodds, minister, in his sermon, emphasized that, like the Biblical characters of Moses, Aaron, Joshua and David of the Old Testament era, and Jesus Christ and the disciples, the members of the Fire Brigade gave their services voluntarily. While the duty of the former was to save souls, the fireman's first duty was to save lives, then material things. They were on call at all times, in fair weather and foul, night or day, at the risk of life and limb. "They have a duty to perform," stated Mr. Dodds, "and we have a duty to support them in every way. Let us be more appreciative of their services."

Mr. Dodds was assisted in the service by Fire Chief Mouck who read the first Scripture Lesson.

Special music by the choir, under the leadership of Mrs. Harry Morrow, organist, was an anthem, "God Give Me Strength," in which Misses Linda Anne Morrow and Beth Cook took solo parts. Miss Morrow also rendered a solo "Bless This House."

Rylstone UCW Holds June Tea

The ladies of Rylstone United Church Women held a very successful tea on Wednesday afternoon June 10th in the Church which was decorated with spring flowers. There was a fine attendance of ladies from Spring Brook, Wellman's Corners, Hoard's, Zion and Stanwood Churches, and the Gospel Hall.

Mrs. Wilfred Spencer, Vice-President, was in charge of the devotional part of the meeting, conducted from the altar of the church. She was accompanied by Mrs. Ross Dickie, 2nd Vice-President, who read the Scripture selection, Matthew, chapter 25. The U.C.W. hymn was sung," From all who dwell beneath the skies" and prayer offered by Mrs. Spencer. The offering was gathered by Mrs. Aaron Anderson and Mrs. Lloyd Anderson. The hymn, "What A Friend We Have In Jesus" was sung.

Mrs. Jack Spencer was convener for the following programme.

A poem, "Make it a Matter of Prayer," by Mrs. Will Rutherford, followed by a short prayer; hymn, "Take Time to be Holy;" vocal duet, "Out of the Ivory Palaces," was sung by Mrs. Carmen Sine and Mrs. Gordon Bailey, of Spring Brook U.C.W., with piano accompaniment by Mrs. Ralph Wellman; trio, "God Will Take Care of You," by Mrs. Jack Spencer, Mrs. Will Rutherford and Mrs. Bob Spencer, of Rylstone U.C.W., with Mrs. Clarence Thomson at the piano; reading, "Be the best of whatever you are," by Mrs. Earl Brunton, of Stanwood U.C,W.; solo, "God Hath Not Promised," by Mrs. Fred Beckett, Wellman's U.C.W., with Mrs. R. Wellman accompanying. Mrs. Clarence Thomson, Rylstone, gave a selection of sacred music at the piano. Mrs. Ray Stewart played the piano for the hymns.

Mrs. Chester Meiklejohn introduced Mrs. Edison Sine, Oak Hills, who gave a short talk on the aims of the United Church Women of the Belleville Presbytery. Mrs. W. Spencer thanked Mrs. Sine for her talk and she was presented with a small gift by Mrs. B. Spencer.

A dainty lunch was served by the hostess and a bake table in the vestibule was well patronized.

The next regular meeting of the U.C.W. will be held at the home of Mrs. Ray Stewart on Wednesday, July 8th.

A compliment is the pause that refreshes.

The Hastings County Dairy Princess Competition will be sponsored again this year by Milk Producer Groups of Hastings County. It is open to contestants between ages of 17 to 26 years, married or single.

Competitions will be held at Belleville Fair on Tuesday, August 18th in the Junior Building.

Prizes to the winner will be a tiara, uniform and $20.00 in cash; 2nd prize, $15.00; and 3rd prize, $10.00. The winner will be eligible to compete at the Canadian National Exhibition Milking Competition in Toronto.

Those interested in competing are asked to contact Mr. E. W. Henderson, Fieldman, Dairy Branch, Ontario Department of Agriculture, Box 146, Stirling, Ont.

Scouting News

The Boy Scout Group Committee met in the High School on Tuesday evening with one member absent.

District Commissioner Joe Irish advised that $124.00 was realized from the Cub Pie Social and wished to thank everyone who helped to make it such a success.

There is a very urgent need for four Cub leaders when they resume meeting in Septembebr. At least two of them must be males. Without additional leaders the Cub programme will be curtailed and many boys will be deprived of the enjoyment and many benefits of the Cubs.

The Scout camp will be held at Camp Saganoski from June 28th to July 5th.

The Cub camp is being held at Lake Consecon from July 19th to 24th.

The next meeting of the Group Committee will be on September 15th.

Adopted Child Project By River Valley W.I.

In December 1961, River Valley Women's Institute decided to enter the adopt-a-child project and forwarded the necessary sixty dollars to the Canadian Save the Children Fund, through the Federated Women's Institute of Ontario.

On January 31st, 1962, the Secretary, Mrs. George Heasman, received a photo-case history of Geriche Gunther, who had been recommended by the field worker.

Geriche was a boy thirteen years old and had been sadly neglected by his parents. He had good health and was finally accepted into the Children's Youth Home in Germany. In October of that year the money sent provided a coat and scarf and then came a letter that the family were now enjoying better circumstances and that sponsorship was no longer needed.

Adopt Second Child

The second child adopted was Heintz Zellner, a slim delicate child born March 22nd, 1950. His father was a postman who met with an accident and died at the age of thirty-six. The mother had five children to care for and while the two eldest are now on their own the mother's pension did not provide proper maintenance for her family. From a gift sent skii boots and gloves were purchased.

The second sixty dollars was forwarded in February, 1963, and the letter which followed stated that shoes had been purchased for the three children and their mother. At Christmas wool jackets and Christman gifts were purchased for the family. In June of 1963 a letter from the family stated that Heintz and brother Fritz were given light jackets.

In January, 1964, the field worker forwarded another letter from Heintz expressing thanks for all the assistance received and said the mother had been able to purchase a dress for herself and shoes for all the family for the cold winter and some needed sport articles.

The members of River Valley Women's Institute decided to continue their support of this worthwhile project and in February, 1964, the third cheque for sixty dollars was forwarded to F.W.I.O. River Valley W.I. will soon be receiving word from the field worker and from Heintz re the progess of the family.

Workers everywhere heartily commend the adoption of children in other lands. In this way they are given needed support and still enjoy life with their own family. A field worker is always on the job to check the needs of the children. Money goes farther in that country and with wise spending the mothers can receive much needed assistance for their children.

Do You Remember?

TWENTY-FIVE YEARS AGO

ISSUE OF JUNE 22nd, 1939

"A town that men dream about but seldom see created from their fondest imaginings," is planned on the thousand acres of flat land between Glen Miller and Frankford on the west side of the Trent Canal.

Arthur Hagerman, Rawdon Township, reported seeing a young fawn at his farm home on Monday evening.

H. L. Fair and Wm. Sutherland, of Stirling, acted as judges at the livestock judging competition in Northumberland County on Saturday.

Cattle Killed

One of the worst electrical storms in years passed over this district on Friday night. Angus Farrell, 5th Concession Rawdon, lost 14 cows out of his herd of 45, and Percy Utman, on the 9th Concession of Sidney, lost seven of his fine herd.

Wm. Hanna, Frankford Road, died this (Thursday) morning, after an illness of three weeks' duration.

BELL LINES

by D. C. Curry your telephone manager

THE TELEPHONE REPAIRMAN

Running underground and overhead throughout our territory are thousands of miles of telephone wires and cables, all of them carrying important messages. Some link telephone calls together in a town or city, others carry long distance calls. Some wires transmit radio and television programmes as well as vital defence information. In cities, cables run under streets, treelawns, sidewalks and alongside property boundaries. In suburban and rural areas they parallel main roads, either underground or on pole lines and, sometimes, on poles used jointly with the Electric Power Companies.

Telephone service is vital to your home, your business and your nation. Interruption to the services these cables and wires provide, can endanger life and property by cutting necessary links with hospitals, police and fire stations.

In the event of interruption your telephone repairman is a trained specialist capable of restoring and maintaining your services safely and efficiently. He works in all kinds of weather to bring you the service you require.

Telephone service is his business and toward this end his motto is, service to you, his customer.

BEAUTY TREATMENT

I'll bet Milady has never suspected a connection between the telephone and cosmetics, yet a form of beauty preparations is actually used to manufacture telephone parts! For example, rouge is used as an abrasive to polish lenses, and machinery is kept whistle clean with Freon — the gas that puts the "zing" in hair sprays. Beeswax — the "body" in eye shadow — doubles as a preservative for small wooden parts, and spermaceti — the wax in lipstick — serves as a lubricant. Talcum powder has a use in telephone circuits to prevent echoes in conversations, and isopropyl alcohol — an ingredient in cologne — acts as a finishing solution for telephone parts. Although cosmetics undoubtedly subtracts years from a woman's age, they add years to the life of a telephone!

HAD ONE LATELY?

Question: What has two heads, four ears, two mouths, and stretches out for miles?

Answer: A Long Distance conversation!

Which incidentally, is also the answer to starting your vacation off on the right foot. Be sure to phone ahead for reservations!

Writes In Support of Local Artificial Ice

The following communication was received by D. R. Patterson, O.M.H.A. Vice-President, who is a member of the Stirling Special Arena Committee.

Peterborough, Ont.
June 18th, 1964

Mr. Doug Patterson,
2 Annis Street,
Stirling, Ontario.

Dear Doug:

I was very pleased to note in our local paper that Stirling had decided to put an artifical ice plant in your local arena. I am confident that your town's people will never have any cause to regret their decision and indeed, will have cause to be thankful for it, for many years to come.

You and I are both aware of the serious lack of artificial ice facilities in our area, and you will be able to rent any spare hours you may have with no trouble at all, and thus add to your revenue.

The main benefit of course, will be the tremendous addition it will make to your recreational facilities; you will be able to schedule hockey games, skating parties and also curling without any worries about the weather and in the summer months, with a good floor, you can use it for all types of social events.

As usual, I see your name among the workers, so at your next meeting, would you extend to all concerned, my personal congratulations, and also those of the O.M.H.A.

Sincerely,
Albert Watkins,
President O.M.H.A.

Carmel U.C.W. Hostess Neighboring Societies At Tea

On Thursday afternoon, June 11th, Carmel United Church Women were hostess to neighbouring societies from Hoard's, Mount Pleasant, Wellman's, Spring Brook, Bethel, Salem, Frankford, Stockdale, English Line, Burnbrae and Stirling.

The Church was tastefully decorated with cut spring flowers. Mrs. Clayton Stapley, 1st Vice-President, and Mrs. Ron White, welcomed the ladies at the door.

Mrs. Stapley presided for the programme and opened with a poem. A hymn was sung and the Lord's Prayer repeated in unison.

The devotional was in charge of Stirling U.C.W. with Mesdames John Good, Chas. Davidson, Don Williams, Sid MacDonald and Harold West taking part.

Mrs. Douglas Pyear and Mrs. Ray Hagerman received the offering.

Programme

Mrs. James Hoard, Mount Pleasant, sang a solo, accompanied by Mrs. Garth Joslin. Mrs. Thos. Laycock, Bethel, and Mrs. Murney Mason, of Spring Brook, gave readings. Mrs. Gerald Russett, Wellman's, rendered a vocal solo, with Mrs. Jim Pollock as accompanist. Miss Eleanor Beach, Frankford, played a piano number.

Mrs. Arthur Pyear introduced the guest speaker, Mrs. Clayton Thompson, of Hoard's, President of Cobourg Presbyterial U.C.W., who gave an interesting and informative address on the aims, departments and work of the United Church Women. After appreciation of attendance and program a hymn and the benediction closed the programme.

The guests were invited to the Church Hall where a social cup of tea and hour of felllowship was enjoyed. A table of homemade baking found a ready market.

Mrs. John Good expressed thanks on behalf of the visitors for the pleasant afternoon.

Stork Shower At Rylstone

Mrs. Ralph Heath entertained about 30 ladies at her home Thursday night at a stork shower in honour of her neighbour, Mrs. Wes Finch.

Anne Reid was the M.C. for the short programme which consisted of: "Raisin Race;" "Jumbled Baby Needs" contest; "Orange Race;" a reading, "Boy or Girl," by Mrs. Jack Spencer, a "clothes pin ban" was won by Carol Heath with Mrs. Murney Bateman second.

The hostess was agreeably surprised when all sang "Happy Birthday Grace" for her Thursday birthday.

The guest of honour then opened her gifts, assisted by Mrs. Chas. Stewart. They were passed around for all to see, then Lenora spoke a few well chosen words of thanks to her hostess for her thoughtfulness and to the guests for all the lovely gifts. The hostess served a dainty lunch.

Pulp and paper uses one quarter of the power output of Canada.

Federal grants to agricultural fairs are estimated at $1,000,000 for 1963-64.

Farmers' Union Met

The June meeting of Local 171 of Ontario Farmers' Union was held in the hall with a good attendance.

During the business period Shirley Reid gave a summary on the board meeting. A meeting is to be held in Peterborough soon to make plans for a booth at the ploughing match.

Jeanne Williams gave her report on the membership meeting that was held in Oshawa. It was well attended and was quite satisfactory.

A discussion was held on a social to be held next month.

A song was rendered by Murney Bateman.

The Rummage Sale proved a great success. Larry Thompson drew the ticket on the quilt and the winner was Mr. Walter Miller, of Tara, Ont., Chairman of the O.F.U. Marketing Committee. The ladies served lunch and a social time was spent.

June Meeting St. Mark's W.A.

What proved to be an interesting and busy meeting opened at the home of Mrs. Arthur Burkitt when fifteen members of St. Mark's W.A., Bonarlaw, were present.

Mrs. W. J. Barlow opened the meeting with the use of a hymn, followed by meditations and the Bible reading conducted by Mrs. Wellman. The prayer session was led by Mrs. Barlow in the absence of Rev. Stewart.

Roll call followed with a verse of Scripture containing the word "judgement." Letters of thanks were to be sent to Mr. Stewart and to Mrs. Campney for her generous donation. A motion was passed asking that all outstanding bills be paid; also a motion of thanks to Mrs. Barlow for her untiring efforts in making the anniversary a success.

Mrs. Woodbeck read her splendid report on the Diocesan Annual and a vote of thanks was extended to Mrs. Woodbeck. The Extra-Cent-A-Day collection was taken and a sum of money voted to the Dorcas Secretary, Mrs. E. Heath.

The benediction closed the meeting and a social half hour was enjoyed. Mrs. E. Heath conducted a contest. Readings were given by Mrs. Jones, Mrs. Alvin Heath and Mrs. Eggett.

A dainty lunch was served by Mrs. Burkitt and her assistants.

The July meeting will be in the form of a pot luck dinner at Mrs. Barlow's cottage, Crowe Lake.

Any girl who is planning to be a babysitter, should be reliable and punctual. Don't forget that any respiratory disease can be more dangerous to a baby. Personal cleanliness is essential; a knowledge of first aid and home nursing will help if there are young children to be fed and attended.

A SHORT SHORT STORY FROM
Stirling Motors

Here we are, with one of the widest selection of new and used cars imaginable (Chevrolet, Chevelle, Corvair, Chevy II, Olds, Epic — fine cars like that! And here he was, wanting a car.
But it seems that he went just about everywhere else first, trying to save that last dollar on his trade-in. Must have driven a hundred miles, looking and dickering. Finally, he came to STIRLING MOTORS on his way home (he lives nearby). Drove out in a Chevy II, looking as tho' he'd outsmarted everybody. Shucks, we could have told him that in the first place.

WAYS TO SERVE COTTAGE CHEESE

There's a place for this palatable and refreshing food in any meal of the day, and with every course of the meal.

The home economists of the Consumer Section, Canada Department of Agriculture, urge you to use this staple food in as many ways as possible . . . .

Serve With Bread, Crackers or Potato Chips

Mix the following with cottage cheese for delicious spreads — chopped chives, parsley, or green pepper; chopped pickles; berry jam; chopped nuts, raisins, figs, or dates; fruit syrups.

Serve In Salads

Cottage cheese adds nourishment and interest to salads — as stuffing for tomatoes, green peppers, celery or prunes; as accompaniment on fruit plates; as filling for center of gelatin molds; in frozen fruit salads; in salad dressing.

Serve With Eggs

Team cottage cheese with — scrambled eggs, omelets, or cheddar cheese in souffles.

Serve In Casserole Dishes

Cottage cheese makes a hearty addition to casseroles — macaroni and tomatoes; creamed tuna fish, shrimp or salmon; scalloped potatoes.

Serve As Dessert

Cottage cheese adds special flavour to — cheese cakes; fillings for pastries, pies, and thin egg pancakes.

Serve With Cream and Sugar

Cottage cheese served this way can be used in place of meat or eggs for breakfast or supper. For extra nourishment and flavour add fresh or canned fruit.

In the 16th Century the Mohawk Indian name for Belleville was "Ass-ukk-nosk" which mean "place where the rushes end."

OF MANY THINGS

(By Ambrose Hills)

CONFIDENCE

When we were youngsters, our teachers used to make us learn about the products which make each country famous and prosperous. Canada, of course, was breadbasket to the world, first in newsprint, nickel, etc., etc. One very important thing was missed.

Confidence didn't get a mention. Yet, in my opinion, it is one of the most valuable assets of a nation or an individual. Minerals buried underground are worthless without the confidence to dig them up and find markets for them. Talents, in the individual, often lie dormant unless there is the confidence to put them to use.

I believe it was the head of the now-famous IBM company that advised young men to "double your rate of failure." In short, to get out and do things, and learn by your mistakes.

There is an air of confidence in Canada today. Not enough, however. There are still far too many who seem to make it their business to talk Canada down, to emphasize problems, to nag instead of brag.

Sure, Canada has faults, and they should be pointed out. But we have umpteen virtues for every fault, and THAT deserves a mention too.

Canada, with an adverse climate, and a small population, is doing some pretty big things in the world. We are now a factor to be considered in the competitive world of trade instead of a country called upon only when a war is threatened. Our products have an excellent reputation abroad. Our business management is the best it has ever been, and labour management has matured in wisdom with it.

We've every reason for confidence. Let's begin to show it!

Wedding Song Eliminated

The traditional wedding song "Here Comes the Bride," no longer will be heard at United Churches.

The song has been removed from the marriage ceremony, and other changes have been made in an attempt by the United Church of Canada to make the service more religious and modern.

LEGION NOTES

New flower beds on either side of the main entrance have now been completed. A caretaker has been employed to keep our grounds trim and neat. Another improvement has been the construction of a new concrete slab entrance at our main door. This will do much to reduce floor maintenance inside the hall.

It is also expected that our branch will give its generous support to all other aspects of the arena renovations. Several members of the branch are serving on the new Arena Committee. It is expected that they will keep the Legion advised as to any assistance which may be needed.

Perhaps some members from last year are wondering why they didn't get their copy of the Legionary this month. It could be that you are in arrears on your dues. Why not check on your standing right away? Legion membership is not expensive, but it accomplishes a great deal. New members are always welcome. Please contact Membership Chairman Russ West at your earliest convenience.

Stirling Branch of Legion wish to offer their best wishes to Mr. "Hap" Tompkins who retires this week as editor of the News-Argus. We wish to thank him for his many acts of kindness and support over many years. His assistance in making the "Legion Notes" column a weekly feature of the News-Argus has been sincerely appreciated by every Legion member. We look forward to a continuance of this same friendly co-operation with the new editor, Mr. Bob Hulin.

Rev. R. G. Fleming Appointed Dean

A 33-year-old Anglican minister serving in Belleville will become the church's youngest Dean of Ontario Diocese September 1st.

Rev. Richard Gordon Fleming, a native of Brockville, will also assume the post of Rector of Kingston on that date, Rt. Rev. Kenneth C. Evans, Bishop of Ontario, announced Monday. Prior to going to Belleville Rev. Fleming was rector of Marmora, St. Mark's, Bonarlaw, and St. Thomas Church 8th Line of Rawdon.

Mr. Fleming will succeed Dean A. T. Briarly Browne, 69, who recently celebrated 40 years in the Anglican ministry.

The Good Driver

Holland's compulsory automobile insurance laws have an unusual "escape clause", says the Ontario Safety League. There, anyone who can prove he is conscientiously opposed to insurance is permitted to drive without coverage. Proof entails showing beyond any doubt that the objector has never had any kind of insurance on himself, and has never bought insurance on anyone or anything else.

* * *

Good car brakes have a stopping ability three times as great as the engine's propelling ability. For instance, a 200 h.p. car can reach 60 m.p.h. from start in 12 seconds; its brakes can stop it in 4 seconds. Drivers should always aim to keep their brakes at maximum efficiency, but never be forced to use them to the maximum.

* * *

Drivers, remember that in the warm weather many cars stretch to twice their normal length! The car that is overtaking you may be towing a boat trailer. The Ontario Safety League says there are many recorded instances of drivers running square into the side of a trailer, while making a fast lane change behind an overtaking car.

* * *

The Ontario Safety League reports an unusual accident to a man working on his car. He short-circuited the battery with the metal band of his wristwatch. The band became red hot and inflicted a severe burn on his wrist. Besides being conductors of electricity, both watches and rings too easily get caught around any power-driven mechanism — car, home workshop or a power mower. Hardware on your hands can be a hazard.

* * *

Few motorists really understand how much injury can be caused by crashing into an immovable object, even at low speeds. In a barrier crash at only 30 m.p.h. the front seat passenger is liable to finish up with his head half way through the shattered windshield. But not if he is using a seat belt.

Destination and disaster both draw closer with high speed on the road.

Immigration to Canada totalled 93,000 in 1963, and emigration from Canada is estimated at 80,000 persons in the year.

CONSERVATION NEWS

FOREST PROTECTION

The forest fire danger has remained in the low to medium range for the first half of June, because of the cool, damp weather and the green vegetation.

Since the beginning of the fire season on April 1st, there has been 23 fires in the Fire District and a total of 69 acres burned. Two of the fires were started by lightning, two resulted from trees falling across power lines and one occurred when a truck load of logs overturned and burned along the highway. The remainder of the fires were started by careless people. Discarded smoking materials and unextinguished camp fires cause a considerable amount of damage to our forests each year.

During the holiday season which is fast approaching, there will be a great increase in the numbers of recreation seekers in our district. Many of these persons are not aware of the damage which fire causes in our forests each year. It should be the responsibility of all persons, to be careful with fire and to remind others to be careful. You can help by reporting all unattended fires within the fire district to the nearest office of the Department of Lands and Forests.

1,430,000 TREES PLANTED BY DEPT.

The annual spring planting programme was completed by Department of Lands and Forests tree planting crews in late May. Frequent rain and cool weather throughout the planting period should result in excellent survival and growth of the planted stock. The trees were planted both on Crown lands and on Agreement Forest lands which are managed by the Department under agreement with the counties and conservation authorities.

By counties and agreement forests the following numbers of trees were planted: Hastings County, 618,000; Lennox and Addington County, 202,000; Renfrew County, 180,000; Prince Edward County, 10,000; Moira River Conservation Authority, 288,600; Napanee Valley Conservation Authority, 11,400; Renfrew County Forest, 120,000; Total, 1,430,000.

I.O.D.E. Presented With Inter. Co-Op. Year Award

The National Chapter of Canada, I.O.D.E. was recently presented with a medallion on behalf of the Chairman of International Co-operation Year (Canada), in recognition of its contribution over many years to the purposes for which International Co-operation Year has been founded. The Citation reads as follows:

"We honour the Imperial Order Daughters of the Empire as an association that has never been narrow and parochial, an Order that understands that while charity begins at home 'our home is the whole wide world and our family is the human family.'

"For its work of relief during and after two world wars, for its measures to relieve suffering after war's devastation in Europe, after famine, flood, hurricane, volcano and earthquake in Armenia, South East Asia, Europe and the Caribbean.

"For its shipments to The Save The Children Fund, sent to needy children in Korea, Jamaica, Italy, Greece, Germany, Hong Kong, Morocco and Jordan.

"For its medical aid programme to India: scholarships, medical studies, supplies, textbooks and a paediatric ward.

"For its support of education by a programme of scholarships bringing students from Ghana, Nigeria, India, Pakistan and The West Indies to Canada and for its library programme to fifty schools in the Caribbean.

"In particular we honour the Order for its recognition that the best service developed for Canadians at home should also be offered to others beyond our shores and for demonstrating this belief in action for over fifty years."

Moira Valley Dist. Scout Council

On June 10th the regular meeting of the Moira Valley District Scout Council was held in the Madoc High School. It was well attended. Capt. Thompson opened the meeting with prayer, and in his opening remarks, stated the importance of Christian leadership and influence in all Scouting activities, especially in living together during camping days. He expressed appreciation to the local people for their co-operation and coverage; this is causing renewed interest with the public.

The minutes of past meetings were read by the Secretary, Dr. G. L. Mullin; also correspondence from Mr. W. Harpur, Provincial Field Executive for this District, since Mr. L. Wilcox was appointed to National Council. Mr. Harpur stated he would be available June 11th, 1964, at which time he would be in Madoc at the home of Dr. Mullin. There he would meet with Dr. Mullin and Captain Thompson to discuss business of the Boy Scouts. If the Revised By-Laws were approved by District Council, he would sign them and present them to headquarters for recognition.

The District Commissioner, Joe Irish, reported 175 Scouts, Cubs, Brownies and Guides and Leaders took part in the St. George's Day Service in Stirling. Only three Groups were represented in the Scout Camporee. Stirling placed first, Tweed second and third in activities. There were 157 Cubs and 16 Leaders at the Cuboree in Tweed in May. He also reported Bayside was inactive at this time, but things will be going strong soon. D.C. Irish attended the Variety Night in Thomasburg in May. We congratulate the leaders there for the interest they are showing. He also attended the Ice Cream Socials in Marmora and Stirling. The D.C. is responsible for all camping in the District and reports Provincial Council is concerned with complaints which they have received concerning Scout Camping.

Bill Marsh is to be presented with a Warrant re Camping. Captain Thompson elaborated on Camping Insurance.

A.D.C. Harvey has been busy conducting a First Aid Course in Marmora. It is hoped that First Aid will be taught in each Group Area.

S.M. Harold Millar has ordered the crests for winners of the Swim Meet which was held in Belleville this year. Marmora are the winners for 1964.

Madoc held a successful Hot Cross Bun Sale and a Peanut Sale Drive.

Bill Marsh reported Sulphide was doing well although Cub activity at present was slow. Several boys in Marmora are to receive badges for their Church work.

John Svoboda, Stirling, Representative to District Council, has resigned. He will be replaced soon. The Tweed Scouts and Cubs are planning a trip to Parliament Buildings in Ottawa.

The revised By-Laws were accepted on a motion of Mr. Bleeker, seconded by Bill Marsh.

On a motion by Bill Marsh and seconded by Ed Hill, the same Executive Committee for the District Council was returned, with the exception of Mr. Bleeker, who will not be available. Each Group Committee was asked to present a name at the Annual District Council meeting in October. From this list one name will be chosen and nominated to fill the position of Vice-President.

The meeting adjourned and a social half hour was spent.

THE BIBLE TODAY

A specially inscribed copy of the King James Version of the Holy Bible, presented to the Ontario Legislature as a part of the Sixtieth Anniversary observance of the Canadian Bible Society, was accepted by the Honourable John P. Robarts, Q.C., Prime Minister of Ontario, at a ceremony held in the Speaker's Office, Queens Park, Toronto, recently.

In accepting, Premier Robarts paid tribute to the Society's work and its significance in the development of Ontario, and stated that this copy of Holy Scripture would be kept available for official use in the provincial legislature.

Also on hand at the presentation were the Hon. Donald H. Morrow (Ottawa West), the Speaker of the Legislature; Mr. Farquhar R. Oliver (Grey South), Leader of the Opposition; Mr. Donald C. MacDonald (York South), Leader of the New Democratic Party, and Mr. Roderick Lewis, Q.C., Clerk of the Legislature.

When the Legislature reconvened, special mention of the presentation was made by the Speaker and the Bible was passed to all members for inspection.

Rylstone W.I.

Mrs. Carl Reid was hostess to the Rylstone Women's Institute for an evening meeting in Zion United Church Sunday School room on Wednesday, June 3rd. There was a fair attendance of 15 ladies.

Mrs. Lindsay Anderson, President, had charge of the meeting. Roll call was answered by "My favourite flower." Mrs. Don Kerr gave a report of the District Directors Conference at Guelph. Mrs. Jack Watson, delegate, reported on the 65th Annual Meeting of North Hastings District, held recently in Marmora.

It was decided to hold a short course on "Choosing and Using Fabrics." Members were urged to publicise this to get a good attendance.

Miss Linda Kerr, Beautician, gave a demonstration on "Facial Aids and Hair Styling," which was very interesting. Misses Margaret Wilson and Barbara Milne acted as models. The members are hopeful that Linda may give a further demonstration at a later date.

The National Anthem closed the meeting and lunch was served by the hostess.

Circus Coming To Stirling

Youngsters of the area, as well as many adults will be looking forward to Thursday, July 9th, when the Gene Cody & Kipling Bros. Combined Circus is slated to present two performances at the Stirling Fair Grounds under the sponsorship of the Stirling District Memorial Arena Committee. The big vans and trucks of the circus will roll into town during the early hours of the morning and will move directly to the Fair Grounds where the work of setting up the huge tents and other circus paraphenalia will get underway.

The Gene Cody & Kipling Bros. Combined Circus, now in its 26th annual tour, has kept abreast with modern times and is presenting America's Newest Innovation of a Tent Circus. Even though, the ponderous elephants wearing special leather work harness, are still used in many ways in erecting the Big Top, you will be amazed at the many new ways that has systemized the circus work. The performance, too, has a sparkling shine of newness. Colorful, youthful, clean and fresh, making it truly a performance of beauty — the World's Finest Family Circus.

You are invited to visit the Fair Grounds early, bring your camera and take pictures of this wonderous world coming to life. Just remember the date — Thursday, July 9th.

Doorway to all your banking

Did you ever stop to consider all the things a chartered bank can do for you? Your local branch is much more than a convenient place to make a deposit, cash a cheque or see about a loan — each branch, large or small, offers a full banking service. And only here is it possible for you to do *all* your banking under one roof. A branch bank is, in effect, a service centre and everyone on the staff is there to help you, to look after *all* your banking courteously and speedily.

St. Paul's AOTS Club Cater At Hoard's

For the third consecutive year, members of the AOTS Men's Club of St. Paul's United Church, catered at the Hickson Sales Barn at Hoard's on Monday evening. This group of men has undertaken several activities for the year such as helping to support an African student at a Canadian University, sending boys to Quin-Mo-Lac Camp, and assisting with needed renovations at the Church. The catering at Hoard's was one of the money-making projects undertaken this year.

Under the leadership of the Projects Chairman, Max Maguire, the men donned white aprons, and capably served hot dinners as well as lighter forms of refreshments. Unofficially it has been reported that there was assistance from the men's wives in making the preparations.

The Club members were divided into groups so that three shifts of workers were available; even so, some chose to serve throughout the whole evening. The assistance of two young men of the congregation, Doug Bird and Robert Luery, was greatly appreciated.

Some members, unable to be present, helped by providing food and money donations. The co-operation of all made the project a financial success as well as an occasion for good fellowship.

Intermediates Decision Bata

Stirling Intermediates played host to a makeshift Bata team on Saturday night and decisioned the Shoemen by a count of 7-4.

Doug Bolte pitched four innings and gave up 3 runs on 5 hits, while issuing two walks. Bob Hunter took over and gave up one run on three hits and walked two. Hunter threw third strikes by four, while Bolte whiffed three.

Leveque started for Bata and Noble greeted his initial pitch for a home run. Steacy relieved in the eighth. Leveque was nicked for six runs off fifteen hits. He whiffed two and walked two. Stirling got to Steacy for one run off one hit.

Lose At Marmora

At Marmora last night the homesters defeated Stirling by a score of 5 to 3.

STIRLING HORTICULTURAL SOCIETY

Lawns should be kept well watered during dry weather and should not be cut as short as during periods when growth is more vigorous. Bare spots in lawn may be covered quickly by sowing a mixture of two-thirds perennial rye and one-third Kentucky blue grass just before a rain.

Keep in mind the trip to Thousand Islands on July 27th.

Editorial

With this issue the Editor and publisher of this great family journal for the past thirty years lays down his pen. Time marches on and it is with a sense of regret that we find ourselves penning a message of farewell to the subscribers, advertisers, correspondents and friends of the News-Argus.

There have been many changes in the Village and district since our arrival here in April, 1936. The years of depression, which were then with us, were followed by the war and then the boom years. Friends have come and gone, business places have changed, and many esteemed residents have passed to the Great Beyond. Our associations have been pleasant and while we have experienced both good and bad times, we have thoroughly enjoyed our sojourn in the Editor's chair.

To the subscribers and advertisers and others who supported us throughout the years we wish to express our sincere appreciation. Our thanks also go to our correspondents, who have chronicled the happenings of the rural district, and to all those who have contributed items of news.

Our successor, Mr. R. L. Hulin, is a man worthy of filling the editor's chair, and needs no introduction. We bespeak for him the same support and co-operation.

In closing we extend best wishes to all for a happy and prosperous future.

A MUSICAL TOUCH FOR SUMMER

Singer Terry Dale, violinist Albert Pratz, orchestra leader Ricky Hyslop and writer-narrator Alan Miller (left to right) rehearse one of many original compositions to be heard on Thursday evening programme on the CBC radio network, starting on July 2nd. They will present music of unusual quality in folk, semi-classical, jazz and standard light repertoires.

NOTICE

All accounts owing the News-Argus or accruing up to June 30th, 1964, are payable on or before the end of this month. After July 1st all cheques should be made payable to H. R. Tompkins.

Juveniles Lose To Crookston

Stirling Juveniles played host to Crookston Coveney's Friday last and didn't fair as well as in their previous three meetings in 1963. Crookston came out on the large end of an 11-7 count.

Dale Benson and Eugene Francis clouted circuit hits for the visitors, while Andy Faulkner and Doug Bolte homered for Stirling.

Chapman started on the Crookston mound and pitched six innings and gave up 3 runs on four hits, while fanning five and walking one. Jackie Francis Jr. took over and gave up 4 runs an 7 hits over the remainder of the game. Don Burkitt started for Stirling, giving way to Jeffs in the sixth. Bolte took over in the 7th to squelch a Crookston rally.

Line-Ups

Crookston — Benson, cf; Munro, ss; G. Wickens, 3b; J. Francis 1b; M. Reid, rf; D. Wood, c; E. Francis, 2b; B. Taylor, lf; Chapman, p.

Stirling — J. Noble, ss; Potts, 3b; K. Smith, c; Faulkner, cf; Jeffs, lf and p; Irvin, 1b; Burkitt, p and lf; Morrow, 2b; Grant Hagerman, rf; B. Donohoe for Morrow in the 5th; Vandervoort for G. Hagerman in the 6th; Bolte, p, in the 8th.
